

# RUGER 10/22™ PRECISION BOLT ASSEMBLY - GREY BIRCH SOLUTIONS 10/22 PRECISION BOLT ASSEMBLY

[Rifle Parts](#) > [Bolt Parts](#) > [Bolts](#)

When Grey Birch Solutions designed their 10/22® pattern bolt assembly, they did so with three objectives. The first was to tighten and control head space to .002, which significantly improves accuracy and consistency of accuracy. The second was to improve the external coating, resulting in increased reliability and extended bolt life by resisting corrosion. And last but not least, making assembly and disassembly easier. Bolt Material: Steel Finish: Polished Nitride Firing Pin: 17-4 PH Spring and Rod: 17-4 PH Assembly includes bolt with firing pin, charging handle, return rod, and return rod spring. \*Compatible with most 10/22® pattern receivers without modification

# RUGER 10/22™ Precision Bolt Assembly Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER 10/22™ Precision Bolt Assembly by Grey Birch Solutions. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle the bolt assembly with care and ensure it is unloaded before performing any maintenance or modifications.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bolt assembly for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the RUGER 10/22™ Precision Bolt Assembly with compatible 10/22® pattern receivers.
- Do not modify the bolt assembly or use it in any manner not specified by the manufacturer.
- Ensure that you are using appropriate ammunition (22 Long Rifle) as specified for this product.
- Always wear eye protection when handling or using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Make sure the firearm is completely unloaded.
- Remove the existing bolt assembly from the receiver.
- Align the new bolt assembly with the receiver, ensuring proper fit.
- Insert the bolt assembly into the receiver until it is fully seated.
- Ensure the charging handle is properly attached and functioning.

### 2. Usage:

- Before each use, check the functionality of the bolt assembly and ensure it is free of obstructions.
- Load the firearm only when you are ready to shoot.
- Always follow proper firearm safety practices during use.
- After use, ensure the firearm is unloaded before cleaning or storing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, do not throw it in regular trash. Instead, consult local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding safety and product use, please refer to the manufacturer's contact

information provided with your product or on their official website.

## **Conclusion**

By following these guidelines, you can ensure a safe and enjoyable experience with your RUGER 10/22™ Precision Bolt Assembly. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety instructions.
