Safety Instruction Guide for AR15 A2 Handguards

Introduction

Thank you for choosing the AR15 A2 Handguards by LUTHAR. This guide provides essential safety instructions and general guidelines to ensure safe usage, installation, and disposal of the product. Please read this guide carefully before using the handguards.

General Safety Guidelines

- Always ensure that the handguards are compatible with your AR15 model before installation.
- Inspect the handguards for any visible damage before use. If damaged, do not use the product.
- Store the handguards in a cool, dry place away from direct sunlight to prevent material degradation.
- Keep the handguards out of reach of children and vulnerable individuals to prevent accidental injuries.
- If you experience any issues during installation or usage, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and the safety is engaged before handling the handguards.
- Avoid using the handguards in adverse weather conditions that may compromise your grip or control.
- Do not use the handguards for any purpose other than their intended use with AR15 rifles.
- Be aware of your surroundings when using the firearm equipped with the handguards to prevent accidents.
- Regularly check the handguards for wear and tear, especially if used frequently.

Instructions for Installation and Usage

1. Tools Required:

- Basic tools such as a screwdriver and a wrench may be needed for installation.

2. Installation Steps:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing handguards if applicable.
- Align the LUTHAR AR15 A2 Handguards with the mounting points on the rifle.
- Secure the handguards in place using the appropriate screws and tools.
- Doublecheck that the handguards are firmly attached and do not move when pulled.

3. Usage Instructions:

- When holding the firearm, ensure your grip on the handguards is firm and secure.
- Practice safe firearm handling at all times, following local laws and regulations.
- After use, clean the handguards with a soft cloth to remove any dirt or debris.

Disposal Instructions

- Dispose of the handguards in accordance with local regulations for plastic waste.
- Do not incinerate the handguards as this may release harmful substances.
- If the product is damaged beyond repair, contact local waste management authorities for proper disposal methods.
