

# VANGUARD 2 HOLSTERS ADVANCED KIT - RAVEN CONCEALMENT SYSTEMS VANGUARD 2 ADVANCED SIG P320 X-FRAME BLACK

[Home](#)

The VanGuard 2 Advanced Kit is a capability upgrade to the venerable VanGuard 2 minimalist IWB holster. Unlike traditional IWB holsters, the VG2 covers only the trigger guard of your weapon. This unique design eliminates the bulk of a traditional holster, while providing a level of safety and security not attainable by simply sticking a pistol in the waistband of your pants. The VG2 Advanced Kit's inclusion of the RCS CLAW takes this system's concealability to the next level, by leveraging the grip of the pistol close to the body, while still allowing for a clean, repeatable draw. The VanGuard 2 Advanced Kit with the RCS CLAW can be equipped with either a Tuckable strut with overhook or Tuckable strut with soft loop, to allow you to choose the best belt interface system for your carry and mission type. This combination is adjustable for ride-height and cant, is fully ambidextrous, and is the ultimate in deep concealment technology when combined with our proprietary tuckable struts. Please note that the VG2 Advanced kit is not compatible with the Basic Kit Strut or the Lanyard option. VG2 CLAWs are only compatible with the model of VG2 shell specified. For example, a Glock VG2 CLAW will NOT fit a M&P VG2 holster shell. Please be aware, RCS does not advise attempting to re-holster the weapon while the VG2 is inside your clothing. You should remove the VG2 and install it on the weapon outside of your waistband.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS VANGUARD 2 ADVANCED SIG P320 X-FRAME BLACK](#)

# Safety Instruction Guide for VANGUARD 2 HOLSTERS ADVANCED KIT

## Introduction

Thank you for choosing the VANGUARD 2 Advanced Kit by Raven Concealment Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This holster is designed for safe use with the Sig Sauer P320 XFull. Ensure you understand how to use it properly to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Follow the instructions provided in case of a recall.
- **Online Shopping:** If you purchased this product online, ensure it meets the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, you may contact the manufacturer's support team.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Trigger Guard Coverage:** The VG2 covers only the trigger guard. Ensure that the weapon is unloaded before holstering.
- **Avoid Reholstering in Clothing:** Do not attempt to reholster your weapon while the VG2 is inside your clothing. Always remove the holster first.
- **Compatibility:** Ensure that the VG2 CLAW is compatible with your specific VG2 shell model. For example, a Glock VG2 CLAW will not fit a M&P VG2 holster shell.
- **Adjustments:** Adjust the rideheight and cant of the holster to fit your body type and comfort level. Ensure the adjustments are secure before use.
- **Ambidextrous Use:** The holster is designed for ambidextrous use. Familiarize yourself with the setup for both right and lefthanded use.

## Instructions for Installation and Usage

### 1. Installation:

- Choose the appropriate Tuckable strut option (overhook or soft loop) based on your preference.
- Attach the strut securely to the VG2 holster.
- Adjust the strut to the desired rideheight and cant.

### 2. Usage:

- Ensure your weapon is unloaded.
- Place the VG2 holster inside your waistband, ensuring the trigger guard is covered.
- Position the grip of the pistol close to your body for optimal concealability.
- When drawing your weapon, maintain a firm grip and ensure a clear path for a smooth draw.
- After use, always remove the holster and store it safely.

## **Disposal Instructions**

- Dispose of the holster according to local regulations for plastic waste.
- Do not burn the holster, as it may release harmful chemicals when incinerated.
- If the holster is damaged or no longer needed, consider recycling it if facilities are available in your area.

## **Contact Information for Further Support**

For assistance or inquiries regarding the VANGUARD 2 Advanced Kit, please refer to the manufacturer's website or customer service.

Thank you for prioritizing safety while using the VANGUARD 2 Advanced Kit. Follow these guidelines to ensure a safe and effective experience with your holster.
