

BLADE 1X25MM PRISM SIGHT - SWAMPFOX OPTICS BLADE 1X25MM AMBER BRC RETICLE PRISM SIGHT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Blade is the mission-driven, wide angle 1x prism scope dedicated for home defense and law enforcement. It sports handy Auto-On Shake N' Wake technology. Blade's revolutionary Bullet Rise Compensating reticle compensates for optic height over bore at just 5, 10, and 15 yards when mounted on an AR-15. Available with red or green illumination, Blade's etched reticle appears black when illumination is off. Blade is an excellent choice for shooters with astigmatism who have issues with dot sights. When you need speed and precision at in-your-face distances, trust the Blade. Eye Relief: 3.8"

Safety Instruction Guide for BLADE 1X25MM PRISM SIGHT

Introduction

Thank you for choosing the BLADE 1X25MM PRISM SIGHT from SWAMPFOX OPTICS. This guide provides important safety information and instructions for the safe use of your prism sight. Please read this guide carefully to ensure safe operation and maintenance.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Always handle the sight responsibly and store it safely when not in use.
- Be aware of your surroundings and avoid pointing the sight at people or animals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the prism sight.
- Ensure that the sight is securely mounted on your firearm before use.
- Do not use the sight if it is damaged or malfunctioning.
- Avoid using the sight in extreme weather conditions that may impair visibility or functionality.
- Use the sight only for its intended purpose, which is for shooting sports and law enforcement applications.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before installing the prism sight.
- Mount the prism sight securely on the rail of your AR15 using the provided mounting hardware.
- Tighten all screws and ensure that the sight is stable and does not wobble.

2. Usage:

- Turn on the sight using the AutoOn Shake N' Wake technology by simply moving the sight.
- Adjust the illumination settings to your preference (red or green) for optimal visibility.
- Use the Bullet Rise Compensating reticle to aim accurately at distances of 5, 10, and 15 yards.
- Maintain a proper shooting stance and ensure that your eye is aligned with the sight for maximum effectiveness.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service team.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BLADE 1X25MM PRISM SIGHT. Thank you for your attention to safety!
