Safety Instruction Guide for AR15 Bolt Assembly 5.56MM

Introduction

Thank you for choosing the AR15 Bolt Assembly 5.56MM from Sons of Liberty Gun Works. This product is designed for use in MilSpec AR15 rifles and is manufactured to meet highquality standards. To ensure your safety and the proper functioning of this product, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before using this product.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Store this product and all firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates related to this product through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible MilSpec AR15 rifles.
- Do not modify the bolt assembly, as alterations can affect performance and safety.
- Always wear appropriate eye and ear protection when firing your firearm.
- Ensure that the firearm is pointed in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use this product if it shows signs of damage or wear.

Instructions for Installation and Usage

1. **Installation:**

    - Ensure the firearm is unloaded and the chamber is clear.
    - Remove the existing bolt assembly from the firearm.
    - Insert the new AR15 Bolt Assembly into the carrier group.
    - Ensure that the bolt is properly locked into place before reassembling the firearm.

2. **Usage:**

    - Before firing, doublecheck that the bolt assembly is correctly installed.
    - Follow the manufacturer's instructions for your specific firearm model regarding loading and firing procedures.
    - After use, clean and maintain the bolt assembly according to the care instructions provided by the manufacturer.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the AR15 Bolt Assembly 5.56MM, please reach out to the designated contact point provided by the manufacturer. Ensure you have the product details available for reference.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your AR15 Bolt Assembly. Thank you for your attention to safety and responsible firearm ownership.
