# READY ROLL KIT BUCKET INSERT Safety Instructions

## Introduction

Thank you for choosing the READY ROLL KIT BUCKET INSERT. This product is designed to enhance your cleaning experience by providing a convenient and organized way to store your cleaning tools. It is important to read and follow these safety instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions carefully to avoid accidents and injuries.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not overload the bucket insert with cleaning tools beyond its capacity.
- Avoid using sharp or pointed tools that could cause injury if the insert is not secured properly.
- Always ensure the bucket is stable and on a flat surface when in use.
- Do not use the product in wet conditions to prevent slippage or accidents.
- If using the product outdoors, be cautious of environmental factors such as wind or uneven ground.

## Instructions for Installation and Usage

### 1. Installation:

- Open the bucket insert and lay it flat.
- Place the insert inside a standard fivegallon bucket, ensuring it fits securely.
- Adjust the Molle elastic webbing to hold your cleaning tools in place.

### 2. Usage:

- Organize your cleaning tools within the insert, ensuring they are secure.
- When transporting, carry the bucket by its handle to maintain balance.
- After use, remove the insert from the bucket and clean it as needed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, please recycle it where possible.
- Do not dispose of the product in general waste if it contains hazardous materials.

## Contact Information for Further Support
