# UNIVERSAL TOOLBOX GUN CARE KIT Safety Instruction Guide

## Introduction

Thank you for choosing the UNIVERSAL TOOLBOX GUN CARE KIT by OUTERS. This comprehensive kit is designed to help you maintain your firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the kit in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.
- Keep the kit out of reach of children and pets to prevent accidental access to tools and cleaning materials.
- Inspect all components of the kit before use. Do not use any damaged or worn tools.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when using cleaning products.
- Follow the manufacturer's instructions for any cleaning solvents or chemicals used in conjunction with this kit.

## Specific Safety Precautions for Use

- **Solid Brass Rods:** Handle with care to avoid injury. Ensure rods are properly secured before use.
- **Bronze Brushes and Mops:** Use these tools gently to avoid damaging the firearm's interior surfaces.
- **Spear Pointed Jags:** Exercise caution when attaching and detaching from rods to prevent injury.
- **Patch Loops:** Ensure the patch is securely attached to avoid slippage during use.
- **Double Ended Nylon Brush and Cleaning Pick:** Use these tools for delicate cleaning tasks. Avoid excessive force to prevent breakage.
- **Cleaning Patches:** Dispose of used patches properly. Do not leave them lying around as they can pose a choking hazard.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before starting any cleaning process.
- Gather all necessary tools and cleaning supplies from the kit.

### 2. Using the Brass Rods:

- Select the appropriate length of brass rod for your firearm.
- Attach the bronze brush or mop securely to the end of the rod.
- Insert the rod into the firearm's barrel and gently push it through, being careful not to apply excessive force.

### 3. Cleaning with Brushes and Mops:

- Use the bronze brushes to scrub the interior surfaces of the barrel.
- Follow up with the mops to remove any debris and cleaning solvent.

### 4. Using the Jags and Patches:

- Attach the jag to the brass rod and secure a cleaning patch onto the jag.

- Insert the jag and patch into the barrel and pull through to clean.

## 5. Final Steps:

- Once cleaning is complete, inspect the firearm to ensure it is dry and free of any cleaning materials.
- Store all tools and cleaning supplies back in the durable toolbox to keep them organized and safe.

## Disposal Instructions

- Dispose of used cleaning patches and any other waste materials in accordance with local regulations.
- Do not dispose of cleaning solvents in regular trash. Follow local guidelines for hazardous waste disposal.
- Keep the toolbox and its contents in a safe place for future use, ensuring that it is closed and secured when not in use.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your UNIVERSAL TOOLBOX GUN CARE KIT. Thank you for your attention to safety!
