TRICAN UTILITY BOX Safety Instruction Guide

Introduction

Thank you for choosing the TRICAN UTILITY BOX by BERRYS MANUFACTURING. This product is designed to provide you with an effective organizational solution while ensuring your safety during use. Please read this safety instruction guide carefully to understand how to use the TRICAN safely and effectively.

General Safety Guidelines

- Ensure that the TRICAN is used only for its intended purpose as an organizational tool.
- Regularly inspect the TRICAN for any signs of damage or wear. Do not use if damaged.
- Keep the TRICAN out of reach of children when not in use to prevent accidents.
- Follow all local regulations regarding the storage and transportation of items within the TRICAN.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not overload the TRICAN beyond its capacity. Each individual can is designed to hold a specific amount of weight.
- Always secure the lid properly using the camlock latch to ensure contents do not spill or fall out during transport.
- Use the handle with care. Ensure it is firmly attached before lifting or carrying the TRICAN.
- Avoid placing sharp or hazardous items inside the TRICAN to prevent injury when opening or closing it.
- If using in wet conditions, ensure the rubber seal gasket is intact to maintain its waterproof capabilities.

Instructions for Installation and Usage

1. Setting Up the TRICAN:

- Remove the TRICAN from its packaging.
- Inspect all components for any damage.
- Ensure that all individual cans are securely placed within the main box.

2. Using the TRICAN:

- Open the lid by releasing the camlock latch.
- Place items into the individual cans as needed, ensuring they do not exceed the recommended capacity.
- Close the lid and secure it with the camlock latch to keep contents safe during transport.

3. Cleaning and Maintenance:

- Clean the exterior and interior of the TRICAN with a damp cloth.
- Avoid using abrasive cleaners that may scratch the surface.
- Regularly check the rubber seal gasket for wear and replace if necessary to maintain waterproof integrity.

Disposal Instructions

- Dispose of the TRICAN responsibly in accordance with local waste management regulations.
- If the TRICAN is no longer usable, consider recycling the plastic components where facilities are available.
- Do not dispose of the product in household waste if it can be recycled or reused.

Contact Information for Further Support

For any safety inquiries, product support, or reporting unsafe conditions, please refer to the relevant authorities or your local consumer safety agency.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your TRICAN UTILITY BOX!
