

# BOLT-ACTION 264 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 264 CAL 1-8 TWIST 22" CARBON FIBER SENDERO LIGHT BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

## Attributes

- Name: [PROOF RESEARCH 264 CAL 1-8 TWIST 22" CARBON FIBER SENDERO LIGHT BARREL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100046243
- Mfr. No.: 105320
- Barrel Weight: 2.13 lbs
- Cartridge: 264 Caliber
- Contour: Sendero Light
- Finish: Carbon Fiber
- Length: 22"
- Twist: 1-8
- Delivery weight: 1.615kg
- Shipping height: 76mm
- Shipping width: 89mm
- Shipping length: 635mm
- UPC: 843068105320

## Item details

Made in USA

US export classification: 0A501.c

# BOLTACTION 264 CALIBER CARBON FIBER BARRELS USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOLTACTION 264 CALIBER CARBON FIBER BARREL by PROOF Research. This guide provides essential safety instructions, precautions, and usage guidelines to ensure your safety and the optimal performance of your product. Please read this manual carefully before using the barrel.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the barrel.
- Only use the barrel with compatible firearms as specified by the manufacturer.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the gunsmith performing the installation is qualified and experienced in handling carbon fiber barrels.
- Do not exceed the recommended ammunition specifications for the barrel to prevent potential damage or injury.
- Avoid exposing the barrel to extreme temperatures or harsh environmental conditions to maintain its integrity.
- Do not attempt to modify or alter the barrel in any way, as this may compromise its performance and safety.
- Be cautious of the barrel's lightweight nature; handle it with care to avoid accidental drops or impacts.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Have a qualified gunsmith thread and chamber the barrel to your specific firearm.
- Follow the gunsmith's instructions for securing the barrel to ensure it is properly fitted.

### 2. Usage:

- Load only compatible ammunition as specified in the product documentation.
- Before firing, doublecheck that the barrel is securely attached and that the firearm is functioning correctly.
- Fire the firearm in a controlled environment, following all standard firearm safety protocols.
- Monitor the barrel during use for any unusual sounds or signs of malfunction.

## Disposal Instructions

- When the barrel reaches the end of its useful life, dispose of it in accordance with local regulations regarding firearm components and materials.
- Contact your local waste management authority for specific guidelines on disposing of carbon fiber materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding your BOLTACTION 264 CALIBER CARBON FIBER BARREL, please consult the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOLTACTION 264 CALIBER CARBON FIBER BARREL. Thank you for your attention to safety and for choosing PROOF Research.
