

BOLT-ACTION 264 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 264 CAL 1-8 TWIST 24" CARBON FIBER SENDERO LIGHT BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

Attributes

BOLTACTION 264 CALIBER CARBON FIBER BARRELS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOLTACTION 264 CALIBER CARBON FIBER BARREL by PROOF RESEARCH. This guide provides essential safety instructions to ensure the safe use and maintenance of your barrel. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that your barrel is installed by a qualified gunsmith to guarantee safe and proper functioning.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the barrel and firearm out of the reach of children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage before each use.
- In case of any recalls or safety notices, stay informed through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunctions. Excessive heat buildup can affect barrel performance. Carbon fiber barrels can be more susceptible to impact damage than traditional steel barrels.
- **Avoiding Hazards:** Always use the barrel with compatible firearms. Do not exceed the recommended ammunition specifications. Ensure that the barrel is clean and free of obstructions before firing. Avoid exposing the barrel to extreme temperatures or harsh environmental conditions for extended periods.
- **Age Specific Warnings:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by an adult when handling firearms.

Instructions for Installation and Usage

- **Installation:**

1. Consult a qualified gunsmith for installation to ensure proper threading and chambering.
2. Verify that the firearm is unloaded before starting the installation process.
3. Follow the gunsmith's instructions carefully throughout the installation.

- **Usage:**

- Ensure that you are familiar with the operation of your firearm before using the barrel.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Clean the barrel regularly according to the manufacturer's recommendations to maintain optimal performance.
- Do not fire the barrel if it shows signs of damage or excessive wear.

Disposal Instructions

- Dispose of the barrel and any associated materials in accordance with local regulations.
- Do not dispose of the barrel in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your BOLTACTION 264 CALIBER CARBON FIBER BARREL, please contact the manufacturer or consult the EU Safety Gate platform for updates on recalls and safety information.

Thank you for prioritizing safety while using your PROOF RESEARCH barrel. Enjoy your shooting experience responsibly!
