

# BOLT-ACTION 264 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 264 CALIBER 1-8 TWIST 18" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

# BOLTACTION 264 CALIBER CARBON FIBER BARRELS USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the BOLTACTION 264 CALIBER CARBON FIBER BARRELS by PROOF Research. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the barrel by following all guidelines and recommendations in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Always check the official sources for updates.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with all safety requirements.
- **Special Consumer Focus:** Extra care should be taken if the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on any safety concerns regarding this product.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the barrel with care to prevent damage and ensure safety.
- **Gunsmith Installation:** Have a qualified gunsmith install and chamber the barrel to avoid risks associated with improper installation.
- **Protective Gear:** Use appropriate protective gear, such as safety glasses, when handling firearms.
- **Avoid Modifications:** Do not attempt to modify the barrel or any of its components.
- **Check for Damage:** Regularly inspect the barrel for any signs of damage, wear, or defects before use.
- **Safe Storage:** Store the barrel in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and the safety is engaged before beginning any installation.
- Consult with a qualified gunsmith for proper threading and chambering of the barrel.
- Follow the gunsmith's instructions carefully during the installation process.

### 2. Usage:

- Always follow the manufacturer's guidelines for the specific firearm model you are using with the barrel.
- Use only compatible ammunition that is recommended for the 264 caliber barrel.
- Maintain a safe distance from others while firing and ensure that the shooting area is clear.
- Regularly clean and maintain the barrel as per the manufacturer's recommendations to ensure optimal performance.

## Disposal Instructions

- **Disposal of Old Barrels:** If you need to dispose of an old barrel, follow local regulations for hazardous materials.
- **Recycling:** Check with local recycling facilities for proper recycling options for carbon fiber materials.

## Contact Information for Further Support

For any questions or concerns regarding the BOLTACTION 264 CALIBER CARBON FIBER BARRELS, please refer to the designated EU contact point for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your BOLTACTION 264 CALIBER CARBON FIBER BARRELS. Always prioritize safety and compliance with the regulations set forth by the EU General Product Safety Regulation (GPSR).
