

BOLT-ACTION 264 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 264 CALIBER 1-8 TWIST 24" CARBON FIBER BULL BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

BOLTACTION 264 CALIBER CARBON FIBER BARRELS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BOLTACTION 264 CALIBER CARBON FIBER BARREL by PROOF Research. This guide provides essential safety instructions and information to ensure the safe use of your new barrel. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of this barrel. Follow all guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. Follow instructions provided in the event of a recall.
- **Online Shopping Protections:** If purchased online, ensure that the retailer meets safety requirements.
- **Consumer Focus:** Extra precautions should be taken when the product is used by vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated contact point within the EU.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Handle with Care:** Always handle the barrel with care to avoid damage.
- **Use Appropriate Tools:** Ensure that you use the correct tools and equipment during installation and maintenance.
- **Avoid Extreme Conditions:** Do not expose the barrel to extreme temperatures or harsh weather conditions that could affect its integrity.
- **Inspect Regularly:** Regularly inspect the barrel for any signs of wear, damage, or defects.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's instructions for use and maintenance.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and equipment before beginning installation.
- Review the installation instructions provided by the manufacturer.

2. Installation:

- Remove the old barrel carefully, following the manufacturer's guidelines.
- Align the new carbon fiber barrel with the action of the rifle.
- Securely attach the barrel using the appropriate screws and tools.
- Ensure that the barrel is properly threaded and chambered by a qualified gunsmith.

3. Usage:

- Always ensure that the rifle is unloaded before handling or performing maintenance.
- Use only compatible ammunition that matches the specifications of the barrel (264 caliber).
- Maintain a safe shooting distance and ensure a clear line of sight.
- Be aware of your surroundings and ensure that no unauthorized persons are in the vicinity when using the rifle.

4. **PostUsage Care:**

- Clean the barrel after each use to maintain performance and longevity.
- Store the rifle in a safe, secure location when not in use.

Disposal Instructions

- **Environmental Considerations:** Dispose of any packaging materials and old barrels in accordance with local regulations.
- **Recycling:** Check if the barrel can be recycled. Follow local guidelines for disposal of carbon fiber materials.

Contact Information for Further Support

For any questions or concerns regarding the BOLTACTION 264 CALIBER CARBON FIBER BARREL, please refer to the designated EU contact point for assistance.

By following these safety instructions, you can ensure the safe and effective use of your BOLTACTION 264 CALIBER CARBON FIBER BARREL. Thank you for your attention to safety.
