

# BOLT-ACTION 30 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 30 CALIBER 1-10 TWIST 24" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

## Attributes

# BOLTACTION 30 CALIBER CARBON FIBER BARRELS

## SAFETY INSTRUCTION GUIDE

### Introduction

Thank you for choosing the BOLTACTION 30 CALIBER CARBON FIBER BARRELS by PROOF Research. This guide provides essential safety information and instructions to ensure the safe use of your new barrel. Please read this manual thoroughly before use.

### General Safety Guidelines

- Ensure that all safety measures are followed when handling and using the barrel.
- Always use the barrel in accordance with the manufacturer's specifications.
- Keep the barrel away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Store the barrel in a secure location when not in use.
- Be aware of your surroundings when using firearms equipped with this barrel.

### Specific Safety Precautions for Use

- **Handling:**
  - Always treat the barrel as if it is loaded.
  - Keep your finger off the trigger until you are ready to shoot.
- **Installation:**
  - Ensure that the barrel is installed by a qualified gunsmith.
  - Verify that the barrel is compatible with your firearm.
- **Usage:**
  - Use only ammunition that is specified for the 30 Caliber (.308) cartridge.
  - Do not exceed the recommended load for your firearm.
- **Maintenance:**
  - Clean the barrel regularly to maintain performance.
  - Use appropriate cleaning tools and solvents that are safe for carbon fiber materials.

### Instructions for Installation and Usage

#### 1. Installation:

- Consult a qualified gunsmith for installation.
- Ensure the firearm is unloaded before installation.
- Follow the gunsmith's instructions for securing the barrel to the firearm.

#### 2. Usage:

- Load the firearm only when ready to shoot.
- Aim in a safe direction and ensure the area is clear of obstructions and bystanders.
- Fire in controlled environments to avoid excessive heat buildup.
- Monitor the barrel for signs of overheating or damage during extended use.

### Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, contact a local waste disposal service for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your BOLTACTION 30 CALIBER CARBON FIBER BARRELS, please refer to the manufacturer's contact point as specified in your product documentation.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your BOLTACTION 30 CALIBER CARBON FIBER BARRELS. Always prioritize safety and compliance with local laws and regulations when using firearms. Thank you for your attention to these important safety measures.
