

# ZERMATT TL3/SR3 SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 6.5 PRC 7.5 TWIST 24" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

# ZERMATT TL3/SR3 Shouldered Prefit Carbon Fiber Barrels Safety Instruction Guide

## Introduction

Thank you for choosing the ZERMATT TL3/SR3 Shouldered Prefit Carbon Fiber Barrel by PROOF Research. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all firearms are handled responsibly and stored securely.
- Always treat every firearm as if it is loaded.
- Use appropriate safety gear, such as eye and ear protection, when handling or firing firearms.
- Keep firearms out of reach of children and unauthorized individuals.
- Familiarize yourself with local laws and regulations regarding firearms and their components.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation or use may cause misfires or damage to the firearm.
- The barrel may become hot during use; handle with care to avoid burns.
- Ensure that the barrel is compatible with your firearm before installation.

### • Avoiding Hazards:

- Always consult a qualified gunsmith for installation.
- Do not attempt to modify the barrel in any way.
- Follow all manufacturer specifications for ammunition and firearm compatibility.
- Inspect the barrel for any visible damage before use.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Consult a qualified gunsmith for proper installation of the barrel.
- Ensure all tools used are appropriate for firearm maintenance.
- Verify that the firearm is unloaded and the safety is engaged before beginning installation.

### 2. Usage:

- Follow the manufacturer's guidelines for ammunition specifications (6.5 PRC).
- Regularly clean and maintain the barrel to ensure optimal performance.
- Monitor the barrel for excessive wear or damage after extensive use.

### **3. PostUse Care:**

- Allow the barrel to cool down completely before handling after firing.
- Clean the barrel according to the manufacturer's recommendations to prevent corrosion and maintain accuracy.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ZERMATT TL3/SR3 Shouldered Prefit Carbon Fiber Barrel, please consult your firearms dealer or manufacturer. Ensure that you have your product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is of utmost importance. Enjoy your new barrel responsibly!
