An Extra-Long Cleaning Mat Complete With Your Rifle's Schematic

When TekMat introduced its first cleaning mat, firearm cleaning and maintenance for owners of these innovative work surfaces had a totally different experience with their guns. The company changed the firearm-cleaning world by providing complete schematics on its cleaning mats, giving users a guideline and understanding on the function and construction of their guns. Each TekMat Ultra 44 Long Gun Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 44 Long Gun Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the Ruger 10/22, AK-47, AR-15 and Remington 870.

ULTRA 44 LONG GUN CLEANING MAT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ULTRA 44 Long Gun Cleaning Mat. This product is designed to provide a safe and effective surface for cleaning and maintaining your firearms. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always use the cleaning mat in a wellventilated area.
- Keep the cleaning mat away from heat sources and open flames.
- Ensure that all firearms are unloaded before placing them on the cleaning mat.
- Do not use solvents or cleaning agents that are not recommended by the firearm manufacturer.
- Keep the cleaning area free from clutter to avoid accidents.
- Always supervise children when using the cleaning mat or handling firearms.

Specific Safety Precautions for Use

- Ensure the mat is placed on a stable surface to prevent slipping.
- Avoid using sharp objects on the mat that could puncture or damage the surface.
- Do not expose the mat to extreme temperatures, as this may affect its durability.
- Regularly inspect the mat for any signs of wear or damage before each use.
- If the mat becomes excessively dirty, clean it promptly to maintain its effectiveness.

Instructions for Installation and Usage

1. Setting Up the Mat

- Unroll the mat and lay it flat on a stable surface.
- Ensure that the rubber backing is facing down to prevent slipping.

2. Using the Mat

- Place your firearm on the mat, ensuring it is unloaded and safe to handle.
- Use the schematic printed on the mat to identify parts and for guidance during cleaning.
- Follow the manufacturer's instructions for cleaning your firearm, using appropriate cleaning solutions.

3. Cleaning the Mat

- After use, clean the mat with a damp cloth and mild soap.
- Rinse thoroughly and allow it to dry completely before rolling it up for storage.
- Do not machine wash or tumble dry the mat.

Disposal Instructions

- When the mat reaches the end of its useful life, please dispose of it responsibly.
- Check local regulations for disposal of rubber and synthetic materials to ensure compliance with environmental standards.

Contact Information for Further Support

For any safety inquiries or assistance regarding the ULTRA 44 Long Gun Cleaning Mat, please refer to the manufacturer's website or customer service for support.

By following these safety instructions, you can ensure a safe and effective cleaning experience for your firearms. Thank you for your attention to safety, and enjoy using your ULTRA 44 Long Gun Cleaning Mat.
