

# ULTRA 20 PISTOL CLEANING MAT - TEKMAT ULTRA 20 1911 3D GUN CLEANING MAT BLACK

## A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

## Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat by TekMat. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of your cleaning mat. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the cleaning mat is used in a wellventilated area to avoid exposure to any chemicals.
- Keep the cleaning mat away from children and vulnerable individuals to prevent accidental exposure to cleaning agents and tools.
- Inspect the cleaning mat for any damage before each use. Do not use if the mat is torn or damaged.
- Follow all local regulations regarding the cleaning and maintenance of firearms.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only approved cleaning agents that are compatible with your firearm and the cleaning mat material.
- Avoid using excessive force when disassembling or reassembling firearms on the mat to prevent slips and accidents.
- Ensure that all firearm components are accounted for and properly stored after cleaning to avoid misplacement or accidents.
- Do not place hot or sharp objects directly on the cleaning mat to prevent damage.
- Always follow the manufacturer's instructions for your firearm when cleaning or performing maintenance.

## Instructions for Installation and Usage

1. **Unfold the Cleaning Mat:** Lay the ULTRA 20 Pistol Cleaning Mat on a flat and stable surface.
2. **Prepare Your Tools:** Gather all necessary cleaning tools and agents before starting the cleaning process.
3. **Refer to Diagrams:** Utilize the diagrams and schematics printed on the mat for guidance on firearm disassembly and reassembly.
4. **Cleaning Process:**
  - Disassemble your firearm according to the manufacturer's instructions.
  - Place all parts on the designated areas of the mat to keep them organized.
  - Use cleaning agents as needed, ensuring they are compatible with both the firearm and the mat.
5. **PostCleaning:** After cleaning, ensure that all parts are dry and properly reassembled before storing your firearm.

## Disposal Instructions

- Dispose of any cleaning agents and materials used during the cleaning process according to local hazardous waste regulations.
- The ULTRA 20 Pistol Cleaning Mat can be washed and reused. If the mat is no longer usable, dispose of it in accordance with local waste disposal regulations.
