A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

ULTRA 20 PISTOL CLEANING MAT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat. This product is designed to enhance your firearm cleaning experience while ensuring safety and convenience. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always use the cleaning mat on a flat, stable surface to prevent accidents.
- Keep the cleaning mat away from children and pets to avoid any potential hazards.
- Ensure that all firearms are unloaded and cleared of ammunition before using the mat.
- Regularly inspect the mat for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

Specific Safety Precautions for Use

- Handle all firearms with care, treating every gun as if it is loaded.
- Use protective eyewear when cleaning firearms to prevent injury from cleaning solvents or debris.
- Avoid using harsh chemicals that are not recommended for firearm cleaning, as they can damage both the firearm and the mat.
- Do not place hot or excessively heavy items on the cleaning mat, as this may cause damage.
- Always refer to the manufacturer's instructions for your specific firearm when disassembling or reassembling.

Instructions for Installation and Usage

1. Unpacking the Mat

- Carefully remove the ULTRA 20 Pistol Cleaning Mat from its packaging.
- Inspect the mat for any damage. If damaged, do not use it and contact the manufacturer for guidance.

2. Setting Up the Mat

- Place the mat on a clean, dry, and stable surface.
- Ensure that the mat is fully unfolded and lying flat to provide adequate working space.

3. Using the Mat

- Before cleaning, ensure that your firearm is unloaded and free of ammunition.
- Place the firearm on the mat, ensuring it is stable and secure.
- Refer to the parts list included on the mat to identify components and ensure proper reassembly.
- Use appropriate cleaning tools and solvents as per the firearm manufacturer's recommendations.

4. Cleaning the Mat

- After use, wipe down the mat with a damp cloth to remove any debris or residue.
- For deeper cleaning, refer to the care instructions provided by the manufacturer.

Disposal Instructions

- Dispose of the cleaning mat in accordance with local waste disposal regulations.
- If the mat is damaged beyond repair, consider recycling if applicable, or dispose of it in a responsible manner.

Contact Information for Further Support

For any safety inquiries or additional support regarding the ULTRA 20 Pistol Cleaning Mat, please refer to the manufacturer's contact information included in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ULTRA 20 Pistol Cleaning Mat. Always prioritize safety and adhere to local laws and regulations regarding firearm maintenance. Thank you for your attention to these important guidelines.
