

# BORE-MAX SMART ROD - REAL AVID 22 CALIBER 36" CARBON FIBER CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Upgraded comfort grip made for pushing and pulling jags, patches and brushes through the bore. Easier on your wrist and hands due to the vertical grip versus traditional horizontal screwdriver grips commonly found on other cleaning rods which are designed for tuning, not pushing and pulling. The premium carbon fiber rod easily turns through the bore following the rifling thanks to the ultra-glide bearing. The ultra-glide bearing provides smooth rotation through the bore to effectively follow and clean lands and grooves. Included with the Smart Rod is a wall hanger storage bracket that cradles the handle and lets the rod hang vertically to prevent deformation and damage.

# BOREMAX SMART ROD SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the BOREMAX Smart Rod, designed for efficient and safe cleaning of your .22 caliber firearms. This guide provides essential safety instructions and guidelines to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the cleaning rod with care and store it in a safe location away from children.
- Ensure that the cleaning area is wellventilated and free from clutter.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions to prevent accidents and injuries.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the BOREMAX Smart Rod only for its intended purpose: cleaning .22 caliber firearms.
- Do not use excessive force when pushing or pulling jags, patches, or brushes through the bore.
- Always maintain a firm grip on the rod to prevent slipping.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Keep hands and clothing away from the cleaning area to avoid injury.
- Use the wall hanger storage bracket to prevent deformation and damage when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including jags, patches, and brushes suitable for .22 caliber firearms.

### 2. Using the BOREMAX Smart Rod:

- Attach the appropriate cleaning accessory (jag, patch, or brush) securely to the end of the rod.
- Insert the rod into the bore of the firearm gently, ensuring it follows the rifling.
- Push or pull the rod smoothly through the bore, utilizing the upgraded comfort grip for ease.
- Use the ultraglide bearing for smooth rotation and effective cleaning of lands and grooves.
- After cleaning, remove the rod and cleaning accessory from the bore.

### 3. Storage:

- After use, clean the rod and accessories to remove any residue.
- Use the included wall hanger storage bracket to store the rod vertically, preventing damage.

## Disposal Instructions

- Dispose of any cleaning accessories, such as patches and brushes, in accordance with local waste disposal regulations.
- Recycle the carbon fiber rod if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or further support regarding the BOREMAX Smart Rod, please reach out to the designated EU contact point provided with your product. Ensure you have the product details ready for efficient assistance.

Thank you for choosing the BOREMAX Smart Rod. Safe cleaning!
