HBAG Shooting Rest Safety Instruction Guide

Introduction

Thank you for choosing the HBAG Shooting Rest by Birchwood Casey. This product is designed to provide a stable and secure platform for shooting long guns, ensuring enhanced accuracy and comfort during use. To maximize safety and performance, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the shooting area is safe and free from obstructions.
- Use the HBAG Shooting Rest only with firearms that are in good working condition.
- Never place your hands or any body part in front of the firearm when it is mounted on the shooting rest.
- Always wear appropriate eye and ear protection when shooting.
- Keep the shooting rest and surrounding area clean and free of debris to prevent accidents.
- Ensure that children and unauthorized persons are kept at a safe distance while using the shooting rest.

Specific Safety Precautions for Use

- **SelfTightening Grip:** Ensure that the selftightening grip is securely fastened around the firearm before shooting. This feature is designed to provide a stable hold and prevent the firearm from slipping.
- **Fill Spout Closure:** Make sure the fill spout is properly secured with the hook and loop closure to prevent any leaks when the bag is filled with media.
- **Weight Consideration:** The HBAG Shooting Rest weighs 18 lbs when filled with media. Ensure that the weight is manageable for you and that it is placed on a stable surface.
- **Surface Protection:** The nonmarring surface protects your firearm. However, always check for any debris or sharp objects on the shooting rest before placing your firearm on it.
- **Storage:** When not in use, store the HBAG Shooting Rest in a dry, cool place to prevent damage to its materials.

Instructions for Installation and Usage

1. Setup:

- Place the HBAG Shooting Rest on a flat, stable surface.
- Ensure the area around the shooting rest is clear of any obstructions or hazards.

2. Filling the Bag:

- If you choose to fill the HBAG with media, open the fill spout and fill it to the desired weight. Ensure the closure is secure after filling to prevent leaks.

3. Mounting the Firearm:

- Place the firearm in the selftightening grip. Adjust the grip as necessary to ensure a snug fit.
- Ensure that the firearm is pointed in a safe direction at all times.

4. Shooting:

- Once the firearm is securely mounted, you may proceed with shooting. Maintain proper shooting posture and control over the firearm.
- After shooting, remove the firearm carefully from the rest and ensure it is pointed in a safe direction.

Disposal Instructions

- Dispose of the HBAG Shooting Rest in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Ensure that any media used to fill the bag is disposed of in a safe and environmentally friendly manner.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided by the retailer or manufacturer. It is important to have a reliable point of contact for any safety concerns or product issues.

By following these guidelines, you can ensure a safe and enjoyable experience with your HBAG Shooting Rest. Thank you for your attention to safety, and happy shooting!
