SECURELOCK GUN VISE Safety Instruction Guide

Introduction

Thank you for choosing the SECURELOCK GUN VISE. This product is designed to provide a secure and stable platform for cleaning and maintaining firearms. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the gun vise.
- Use the gun vise in a wellventilated area to avoid inhaling harmful substances.
- Keep the gun vise out of reach of children and unauthorized users.
- Inspect the gun vise for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and storage of firearms.
- Store the gun vise in a dry location to prevent rust and corrosion.

Specific Safety Precautions for Use

- Ensure that the adjustable clamps are securely tightened before placing a firearm in the vise.
- Use nonmarring materials to protect the firearm's finish while in the vise.
- Avoid placing excessive force on the firearm when securing it in the vise.
- Do not leave firearms unattended while secured in the gun vise.
- Be cautious of sharp edges and moving parts during adjustment and use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the gun vise.

Instructions for Installation and Usage

Installation

1. Select a Suitable Location:

- Choose a stable and flat surface for mounting the gun vise.
- Ensure there is adequate space for working around the vise.

2. Mounting:

- Use the benchtop mounting provisions to secure the gun vise to the work surface.
- Ensure that the mounting is tight and stable to prevent movement during use.

Usage

1. Preparing the Firearm:

- Ensure the firearm is completely unloaded.
- Remove any accessories or attachments that may interfere with the vise.

2. Securing the Firearm:

- Adjust the clamps of the gun vise to fit the firearm securely.
- Use the springloaded pull pins for easy slide adjustment to accommodate different firearm sizes.
- Tighten the clamps firmly, ensuring the firearm is stable and secure.

3. Performing Maintenance:

- Conduct all cleaning and maintenance procedures according to the firearm manufacturer's guidelines.
- Avoid using excessive force when cleaning or adjusting the firearm.

4. After Use:

- Carefully remove the firearm from the vise.
- Store the gun vise in a safe, dry location for future use.

Disposal Instructions

- Dispose of the SECURELOCK GUN VISE in accordance with local regulations.
- Do not dispose of the gun vise in regular household waste if it contains nonbiodegradable materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For safety inquiries or additional support regarding the SECURELOCK GUN VISE, please reach out to the manufacturer or authorized dealer. Ensure to check for any recall updates or safety alerts on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your SECURELOCK GUN VISE. Thank you for prioritizing safety while handling firearms.
