

# MATCH 9MM LUGER STRAIGHT FLUTED BARRELS FOR GLOCK® 43/43X - FAXON FIREARMS MATCH 9MM THREADED STRAIGHT BBL FOR GLOCK 43/43X BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon's Match Series pistol barrels for Glock® G43 are machined 100% in-house from stress-relieved 416-R stainless steel. These barrels are then given a black nitride or PVD coating to increase lubricity, barrel life, and resistance to surface wear. All barrels are conventionally rifled to allow a wider range of ammunition to be used, including cast lead. The barrels drop into factory-spec slides with no gunsmithing required. Better-than-factory tolerances ensure a consistent, tighter lockup than OEM. SPECS Straight Fluted 1/10 Twist 416-R Material Black Nitride Finished Target Crowned Threaded barrel has 1/2"x28 thread DISCLAIMER: "GLOCK" is a federally registered trademark of GLOCK, Inc. and is one of many trademarks owned by GLOCK, Inc. or GLOCK Ges.m.b.H. # Safety Instruction Guide for Faxon Firearms Match 9mm Luger Straight Fluted Barrels for Glock® 43/43X

## Introduction

Thank you for choosing the Faxon Firearms Match 9mm Luger Straight Fluted Barrel for your Glock® 43/43X. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the basic operation of your Glock® firearm before installing or using the barrel.
- Always handle firearms with care and assume they are loaded.
- Store your barrel and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use ammunition that is compatible with the 9mm Luger cartridge.
- Avoid using reloaded or damaged ammunition, as it may cause malfunction or injury.
- Ensure that the barrel is properly installed before firing.
- Never point your firearm at anything you do not intend to shoot.
- Wear appropriate eye and ear protection when firing your weapon.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your Glock® 43/43X is unloaded and the magazine is removed before beginning installation.
- Remove the factory barrel from the slide.
- Insert the Faxon Match barrel into the slide, ensuring it fits snugly.
- Reassemble the slide and ensure all components are properly secured.
- Perform a function check to ensure the firearm operates correctly with the new barrel.

### 2. Usage:

- Always follow the manufacturer's guidelines for your Glock® 43/43X.
- Use the barrel only in conjunction with compatible Glock® slides.
- Regularly clean and maintain your barrel for optimal performance.
- After use, inspect the barrel for any signs of wear or damage.

## Disposal Instructions

- When disposing of your barrel, follow local regulations for hazardous waste.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
