# Safety Instruction Guide for 9MM A2 Birdcage Flash Hider

## Introduction

Thank you for choosing the 9MM A2 Birdcage Flash Hider from AERO PRECISION. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of your flash hider safely and effectively.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the flash hider is compatible with your specific firearm model.
- Use only in accordance with local laws and regulations regarding firearm accessories.
- Store the flash hider and all firearm accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the flash hider for any signs of damage or wear.
- If you suspect any malfunction, do not use the flash hider and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The flash hider is designed for use with 1/2 x28 TPI 9mm barrels only. Do not attempt to use it with other thread sizes.
- Avoid using the flash hider in conditions where it may be exposed to extreme temperatures or corrosive environments.
- Ensure that the flash hider is securely attached before firing your firearm.
- Do not attempt to modify or disassemble the flash hider.
- Always wear appropriate eye and ear protection when firing your firearm.
- Be mindful of your surroundings and ensure a clear and safe shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.
- Clean the muzzle of your barrel to remove any debris or residue.
- Align the threads of the flash hider with the threads of your barrel.
- Gently screw the flash hider onto the barrel by turning it clockwise until it is snug. Do not overtighten.
- Use a wrench if necessary, but be careful not to damage the finish of the flash hider or barrel.
- Confirm that the flash hider is securely attached before proceeding to use the firearm.

### 2. Usage:

- After installation, perform a visual inspection to ensure that the flash hider is properly mounted.
- Fire the firearm in a safe, controlled environment.
- Monitor the performance of the flash hider during use. If you notice any unusual sounds or movement, cease use immediately.

## Disposal Instructions

- Dispose of the flash hider in accordance with local regulations regarding firearm accessories.
- If the flash hider is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it

responsibly.

- Consider recycling components where applicable, following local guidelines for recycling metal products.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 9MM A2 Birdcage Flash Hider, please consult the manufacturer's website or contact your retail provider for assistance.

Please remember that safety is paramount when handling firearms and their accessories. Always prioritize proper usage and maintenance to ensure a safe and enjoyable experience.
