Safety Instruction Guide for the Aero Precision EPC9 Complete Lower Receiver

Introduction

Thank you for choosing the Aero Precision EPC9 Complete Lower Receiver. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe and effective operation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a lower receiver for AR9 builds.
- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure that you have a safe backdrop when firing.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the firearm.
- Ensure that the magazine is removed and the chamber is clear before performing any maintenance or inspections.
- Do not modify the product in any way that could affect its safety or performance.
- Use only compatible components and accessories as specified by the manufacturer.
- In case of a malfunction, cease firing immediately and follow proper safety protocols to address the issue.
- Do not use the product under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation

1. **Gather Tools and Components:** Ensure you have all necessary tools and components, including:

- EPC9 Lower Receiver
- Magpul MOE Grip
- MOE SL Carbine Stock
- Lower Parts Kit
- Enhanced Buffer Tube
- Castle nut/end plate
- 440 set screw

2. **Install the Grip:**

- Align the Magpul MOE Grip with the receiver.
- Secure it using the provided screws.

3. **Attach the Stock:**

- Slide the MOE SL Carbine Stock onto the buffer tube.
- Secure it in place using the castle nut and end plate.

4. **Install the Lower Parts Kit:**

- Follow the instructions provided with the lower parts kit for proper installation.

5. **Check Installation:**

- Ensure all components are securely installed and function correctly.

Usage

- Always perform a function check on the firearm after installation to ensure proper operation.
- Familiarize yourself with the controls and operation of the firearm before use.
- Follow all safety guidelines while handling and operating the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm parts and materials.
- Ensure that any hazardous materials are handled and disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the Aero Precision EPC9 Complete Lower Receiver, please refer to the manufacturer's website or contact the customer support team for assistance.

Important Note: This guide aims to provide a comprehensive overview of safety practices and installation instructions for the Aero Precision EPC9 Complete Lower Receiver. Always prioritize safety and compliance with local laws when handling firearms.
