Safety Instruction Guide for Aero Precision EPC9 Complete Lower Receiver

Introduction

Thank you for choosing the Aero Precision EPC9 Complete Lower Receiver. This product is designed to provide a reliable base for your custom AR9 build. It is essential to understand and follow the safety guidelines outlined in this document to ensure safe and effective usage of your product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or performing any modifications.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Use only compatible components and accessories to avoid malfunctions.
- Store the product in a secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- Ensure that all parts are installed correctly and securely before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses when assembling or disassembling the product.
- Be aware of your surroundings and ensure a safe environment when using the firearm.
- Do not point the firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to fire.
- Familiarize yourself with the operation of the firearm and practice safe handling techniques.

Instructions for Installation and Usage

1. Unpacking and Inspection

- Carefully unpack the Aero Precision EPC9 Complete Lower Receiver.
- Inspect all components for any signs of damage or defects.

2. Installation

- Ensure that the workspace is clean and organized.
- Follow these steps for proper installation:
 - Install the Magpul MOE® Grip onto the lower receiver using the provided screws.
 - Attach the Magpul MOE® SLS® Carbine Stock to the buffer tube.
 - Ensure that the buffer tube is securely fastened to the lower receiver.
 - Install the lower parts kit according to the included instructions.
 - Verify that the EPC 7.7oz buffer and M5 Carbine Buffer Spring are correctly installed.

3. Usage

- Before using the firearm, ensure that it is properly assembled and all components are functioning correctly.
- Follow the manufacturer's instructions for loading and firing the firearm.
- Always maintain a safe distance from others while using the firearm.

Disposal Instructions

- Dispose of any packaging materials and components in accordance with local regulations.
- For the disposal of the lower receiver or any firearm components, contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Aero Precision EPC9 Complete Lower Receiver, please refer to the contact information provided in the product documentation or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your Aero Precision EPC9 Complete Lower Receiver. Always prioritize safety and responsible usage to protect yourself and others.
