

# M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 30MM HIGH (1.26") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

# MBRACE Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all the information before using the scope rings.

## General Safety Guidelines

- Ensure that the scope rings are compatible with your rifle and scope before installation.
- Always follow the manufacturer's instructions for the installation and use of the scope rings.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Regularly inspect the scope rings for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Use only the recommended tools for installation to avoid damage.
  - Avoid overtightening screws, which can lead to equipment failure.
- **Usage Safety:**
  - Ensure that the scope is securely mounted within the rings before use.
  - Do not exceed the manufacturer's specified weight limits for the scope and accessories.
- **Transport Safety:**
  - When transporting your rifle with the scope rings attached, ensure that the rifle is unloaded and stored safely.
  - Use a protective case to prevent damage during transport.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a torque wrench and the appropriate hex keys.
- Align the scope rings with the Picatinny rail on your rifle.
- Secure the rings by tightening the screws evenly. Use a torque wrench to apply the recommended torque settings.
- Doublecheck the alignment and tightness before proceeding.

### 2. Usage:

- After installation, check the scope's alignment and ensure it is securely fitted in the rings.
- Adjust the scope settings according to your shooting requirements.
- Regularly check the scope rings for tightness and alignment during use.

## Disposal Instructions

- Dispose of the scope rings in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, consider recycling the aluminum material where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MBACE Scope Rings, please reach out to the appropriate contact point provided by your retailer or the manufacturer.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your MBACE Scope Rings. Thank you for your attention to safety!
