

# M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 34MM MEDIUM (1.10") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

# MBRACE Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This guide provides essential safety information and instructions to ensure the safe use of your scope rings. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always ensure that your scope rings are compatible with your firearm and scope specifications.
- Inspect the scope rings for any damage or defects before installation. Do not use damaged products.
- Use the scope rings only for their intended purpose as described in this guide.
- Keep the scope rings out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope rings are installed securely to prevent any movement during use.
- Avoid overtightening the screws, as this may damage the scope rings or your firearm.
- Do not modify the scope rings in any way, as this may compromise their safety and functionality.
- Always follow the manufacturer's recommendations regarding the maximum weight and size of scopes that can be used with these rings.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools: a torque wrench, screwdriver, and any other required tools.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Place the scope rings on the Picatinny rail of your firearm.
- Align the rings with the desired position for your scope.
- Insert and handtighten the screws into the scope rings.
- Use a torque wrench to tighten the screws to the recommended torque setting (refer to the manufacturer's specifications).
- Doublecheck that the scope rings are securely attached and that there is no movement.

### 3. Scope Mounting

- Place your scope into the mounted rings.
- Adjust the scope's position for optimal eye relief and alignment.
- Tighten the scope ring screws carefully, ensuring the scope remains in place without excessive force.

### 4. Final Checks

- After installation, perform a visual inspection to ensure everything is secure.
- Test the scope rings by gently shaking the firearm to confirm stability.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the scope rings are damaged beyond repair, dispose of them in a manner that prevents accidental use.
- Follow local waste disposal guidelines for metal and aluminum products.

## **Contact Information for Further Support**

For any questions or concerns regarding the MBRACE Scope Rings, please refer to the manufacturer's website or customer support channels for assistance.

Thank you for choosing MBRACE Scope Rings. Your safety is our priority.
