

# M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 34MM HIGH (1.26") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

## Attributes

# MBRACE Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the MBRACE Scope Rings are compatible with your rifle and scope before use.
- Inspect the product for any visible damage or defects prior to installation. Do not use if damaged.
- Store the scope rings in a dry and cool environment to prevent corrosion and deterioration.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the scope rings.
- Use only the recommended tools for installation to prevent damage to the scope rings and firearm.
- Do not exceed the manufacturer's specified torque settings during installation.
- Regularly check the scope rings for tightness and stability, especially after heavy use or transportation.
- Avoid exposing the scope rings to extreme temperatures or harsh environmental conditions that may affect their performance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a torque wrench, appropriate screwdrivers, and any other tools as specified in the scope ring's manual.
- Ensure that the rifle is on a stable surface and is securely supported.

### 2. Installation Steps

- Align the MBRACE Scope Rings with the Picatinny rail on your rifle.
- Carefully place the scope tube into the rings, ensuring it is level and properly positioned.
- Secure the scope rings by tightening the screws gradually and evenly. Use a torque wrench to apply the manufacturer's recommended torque settings.
- Doublecheck that the scope is mounted securely and that the rings are properly tightened.

### 3. Usage Tips

- After installation, perform a test to ensure that the scope is properly zeroed and that the returntozero feature operates correctly.
- Avoid making adjustments to the scope while aiming at a target.

## Disposal Instructions

- When disposing of the MBRACE Scope Rings, follow local regulations regarding the disposal of metal and aluminum products.
- If the product is no longer usable, consider recycling it to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's official website or customer service resources. Always ensure you have the latest safety updates and product recalls.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our priorities. Enjoy using your MBACE Scope Rings responsibly.
