

M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 34MM X-HIGH (1.42") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

MBRACE Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Rings from American Rifle Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the scope rings are compatible with your rifle and scope before use.
- Always inspect the product for any visible damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of your scope and accessories when using the MBRACE Scope Rings.
- Ensure that the scope rings are securely mounted to prevent any movement or detachment during use.
- Avoid using the scope rings in extreme environmental conditions that may compromise their integrity.
- Regularly check and tighten the screws and mounting hardware to maintain stability.
- Do not modify or alter the scope rings in any way, as this may affect their safety and performance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove any existing scope rings from your rifle.
- Align the MBRACE Scope Rings with the Picatinny rail on your rifle.
- Securely attach the scope rings using the included screws, ensuring they are tightened to the manufacturer's specifications.
- Mount your scope onto the rings, adjusting for proper eye relief and alignment.
- Tighten the scope mounting screws carefully to avoid overtightening, which may damage the scope or rings.

3. Usage Guidelines

- Once installed, conduct a test to ensure that the scope is securely mounted and does not shift during use.
- Familiarize yourself with your rifle and scope setup before taking it to the range or field.
- Always wear appropriate eye and ear protection when using firearms.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the MBRACE Scope Rings are no longer in use or are damaged beyond repair, dispose of them in an environmentally responsible manner.

- Do not throw away in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the contact details provided by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MBACE Scope Rings!
