

# M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 35MM HIGH (1.26") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. **OVERVIEW** Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

# MBRACE Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This guide provides essential safety instructions and guidelines to ensure the safe use of your scope rings. Please read and follow all instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the scope rings are compatible with your rifle and scope.
- Always handle firearms and accessories responsibly and in accordance with local laws.
- Inspect the scope rings for any damage or wear before each use.
- Store the scope rings in a dry and secure location when not in use.
- Avoid using the product in extreme weather conditions or environments that may compromise its integrity.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope and accessories mounted on the rings.
- Ensure that the scope is securely mounted to prevent it from shifting during use.
- Regularly check the tightness of the screws and fittings to prevent loosening.
- Keep the scope rings and area around them free from dirt and debris to ensure proper function.
- Use only manufacturer recommended tools for installation and adjustment.

## Instructions for Installation and Usage

### 1. Prepare Your Equipment:

- Gather the necessary tools, including a torque wrench and appropriate screwdriver.
- Ensure the rifle is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Place the scope rings onto the Picatinny rail of your rifle.
- Align the rings with the desired position for your scope.
- Insert and handtighten the screws to hold the rings in place.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.

### 3. Mounting the Scope:

- Carefully place the scope into the rings.
- Adjust the scope to the desired eye relief and level.
- Tighten the scope ring screws gradually and evenly to secure the scope.

### 4. Final Checks:

- Ensure all screws are tightened securely.
- Check that the scope is level and properly aligned.
- Perform a function check to ensure that the scope and rings are stable.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the scope rings with regular household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact resources available with your product packaging or on the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your MBRACE Scope Rings. Thank you for your attention to safety and for choosing American Rifle Company.
