

# CZ SCORPION EVO PISTOL GRIP - STRIKE INDUSTRIES CZ SCORPION EVO PISTOL GRIP BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Strike Industries Pistol Grip for CZ Scorpion EVO is designed with more of a vertical angle (15 degrees) for better ergonomics over the CZ factory grip. Comes with textured palm areas for positive handling of the firearm but also includes a stipple ready border if you want a more grippy feeling. You can custom hand-stipple at home for those do-it-yourselfers or send it out to your favorite stippler. The grip features a comfortable beaver tail and secure storage underneath with an included rubber end cap. Made from durable and lightweight polymer, this drop-in SI Pistol Grip is a perfect pairing with the Strike Industries Selector Switch for CZ Scorpion EVO (sold separately) and will give you improved ergonomics over the originally designed CZ factory parts and especially no pinched fingers.

# Safety Instruction Guide for CZ Scorpion EVO Pistol Grip by Strike Industries

## Introduction

Thank you for choosing the Strike Industries Pistol Grip for your CZ Scorpion EVO. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before using the product to understand the precautions necessary for your safety and the safety of others.

## General Safety Guidelines

- Ensure that the firearm is unloaded before performing any installation or maintenance on the pistol grip.
- Always handle firearms with care and ensure they are pointed in a safe direction.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the pistol grip for any signs of wear or damage.
- Do not modify the pistol grip in any way that may compromise its integrity or safety.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The pistol grip is designed for adult use only. Keep it out of reach of children.
- Be aware of the grip's textured surface, which is designed to enhance handling. Ensure that your hands are dry and free from contaminants before use.
- The stipple ready border allows for customization; however, improper handstippling can create sharp edges. Exercise caution during this process.
- Always ensure that the grip is securely attached to the firearm before use. A loose grip can lead to loss of control during firing.
- Avoid using the firearm in adverse weather conditions which may affect grip performance, such as rain or extreme cold.
