# Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION .35 WHELEN PACESETTER FULL LENGTH SIZING 2DIE SET

## Introduction

Thank you for choosing the RIFLE 2 DIE SET LEE PRECISION .35 WHELEN PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for safe and effective reloading of ammunition. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the handling and operation of this product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that you are of legal age to purchase and use reloading equipment in your jurisdiction.
- Keep the product out of reach of children and unauthorized users.
- Use the product in a wellventilated area to avoid inhalation of dust or fumes.
- Always wear appropriate personal protective equipment, including safety glasses and gloves, when using this product.
- Regularly inspect the reloading equipment for wear and damage. Do not use damaged components.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:** The reloading process involves the use of powder, primers, and other materials that can be hazardous if not handled properly. Avoid exposure to lead and other toxic substances that may be present in ammunition components.
- **Avoiding Hazards:** Do not smoke or have open flames in the vicinity of reloading activities. Always keep powder and primers in their original containers and store them safely. Never exceed recommended load data when reloading ammunition. Ensure that all tools and dies are clean and free of obstructions before use. Follow all recommended safety procedures for the handling of firearms and ammunition.
- **AgeSpecific Warnings:** This product is intended for use by adults. Keep out of reach of children. Ensure that inexperienced users are supervised by a knowledgeable adult.

## Instructions for Installation and Usage

### • Installation:

1. Read the instruction manual included with the die set thoroughly.
2. Ensure that your reloading press is compatible with the die set.
3. Install the Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
4. Insert the Bullet Seating Die into the press, ensuring it is securely fastened.

### • Usage:

1. Prepare your work area by organizing all necessary components and tools.
2. Use the Universal Shell Holder to secure the cartridge case during resizing.
3. Follow the load data provided in the instruction manual for proper powder and bullet selection.
4. Carefully measure and dispense the correct amount of powder using the Powder Dipper.
5. Seat the bullet using the Bullet Seating Die, ensuring it is properly aligned.

6. Inspect each completed cartridge for proper assembly and function.

## **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of hazardous materials, such as primers or powder, in regular trash.
- Contact local waste management authorities for guidance on the safe disposal of reloading materials.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the RIFLE 2 DIE SET LEE PRECISION .35 WHELEN PACESETTER FULL LENGTH SIZING 2DIE SET, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and adhere to best practices to minimize risks associated with reloading ammunition. Thank you for your attention to these important guidelines.
