Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION 7.35 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET

Introduction

Thank you for choosing the RIFLE 2 DIE SETS LEE PRECISION 7.35 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for safe and effective reloading of ammunition. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with reloading.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure that you are familiar with the reloading process before using this product.
- Keep all reloading components and tools out of the reach of children and unauthorized users.
- Use the product in a wellventilated area to avoid inhalation of any dust or fumes.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Follow local laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

- Before starting, inspect the dies and other components for any damage or defects.
- Ensure that the work area is clean and organized to prevent accidents.
- Do not exceed the recommended load data provided with the product.
- Always doublecheck measurements and settings before proceeding with the reloading process.
- Keep your hands and other body parts clear of moving parts during operation.
- In case of a malfunction or unexpected behavior, stop using the product immediately and seek assistance.

Instructions for Installation and Usage

1. Unpacking the Die Set

- Carefully remove the die set from its packaging.
- Check all components: Full Length Sizing Die, Bullet Seating Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.

2. Setting Up the Equipment

- Securely mount your reloading press according to the manufacturer's instructions.
- Install the Full Length Sizing Die by threading it into the press until it is snug.
- Insert the Universal Shell Holder into the press, ensuring it is properly seated.

3. Using the Full Length Sizing Die

- Insert a fired cartridge case into the shell holder.
- Lower the ram of the press to size the case. Ensure the die is adjusted correctly for the desired size.

4. Using the Bullet Seating Die

- After sizing, switch to the Bullet Seating Die.

- Place a bullet on top of the charged case.
- Adjust the die to achieve the desired bullet seating depth and lower the ram to seat the bullet.

5. Final Steps

- Inspect each completed round for proper sizing and bullet seating.
- Store completed ammunition in a safe and secure manner.

Disposal Instructions

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not throw away the product in regular household waste. Instead, check for recycling programs or hazardous waste disposal options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please contact the manufacturer or a certified reloading expert. Ensure you have the product details ready for reference.

By following these guidelines, you can ensure a safer reloading experience with the RIFLE 2 DIE SETS LEE PRECISION 7.35 CARCANO PACESETTER FULL LENGTH SIZING 2DIE SET. Always prioritize safety and compliance with local laws when engaging in reloading activities.
