# Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION 8MM LEBEL PACESETTER FULL LENGTH SIZING 2DIE SET

## Introduction

Thank you for choosing the RIFLE 2 DIE SETS LEE PRECISION 8MM LEBEL PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with all relevant regulations.

## General Safety Guidelines

- Ensure that you are familiar with the reloading process and have received proper training before using this product.
- Always handle reloading equipment with care and respect, treating it as you would any other tool.
- Store the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before use. Do not use damaged equipment.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Ensure proper ventilation in your work area to avoid inhalation of any dust or fumes.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris and potential hazards during the reloading process.
- Use gloves when handling powders and primers to avoid skin contact.
- Keep a fire extinguisher nearby when reloading, as some materials may be flammable.
- Do not eat, drink, or smoke while reloading to prevent contamination from powders or primers.
- Always doublecheck measurements and load data before proceeding with the reloading process.
- Never exceed recommended load limits for any cartridge.

## Instructions for Installation and Usage

### 1. Setup

- Ensure your workspace is clean, dry, and welllit.
- Gather all necessary tools and materials, including the die set, shell holder, powder dipper, and reloading manual.

### 2. Installation of the Die Set

- Securely mount the Full Length Sizing Die in your reloading press according to the manufacturer's instructions.
- Install the Bullet Seating Die in the same manner, ensuring it is properly aligned.

### 3. Using the Die Set

- Place the shell holder in the reloading press and insert the cartridge case.
- Follow the instructions provided with your reloading manual for adjusting the sizing die to the correct depth.
- Use the powder dipper to measure the appropriate amount of powder for your load.
- Carefully seat the bullet using the Bullet Seating Die, ensuring it is properly aligned.

### 4. PostUse Care

- Clean the die set and workspace after use to remove any residues.
- Store the die set in a dry, secure location away from children and pets.

## **Disposal Instructions**

- Dispose of any unused powders, primers, and materials according to local regulations.
- Do not throw away hazardous materials in regular trash. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please consult the manufacturer's website or customer service for further assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your RIFLE 2 DIE SETS LEE PRECISION 8MM LEBEL PACESETTER FULL LENGTH SIZING 2DIE SET. Thank you for prioritizing safety and compliance.
