# Safety Instruction Guide for RIFLE 2 DIE SETS LEE PRECISION .17 REMINGTON PACESETTER FULL LENGTH SIZING 2DIE SET

## Introduction

Thank you for choosing the RIFLE 2 DIE SETS LEE PRECISION .17 REMINGTON PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for reloading ammunition safely and effectively. It is important to read and understand this safety instruction guide to ensure proper use and to minimize risks associated with its operation.

## General Safety Guidelines

- Ensure that you are familiar with all aspects of the reloading process before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading materials and equipment.
- Store all components, including the dies and ammunition, in a secure location away from children and unauthorized users.
- Regularly inspect your equipment for wear and damage. Replace any worn or damaged parts immediately.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- Do not exceed the recommended load data provided with the die set or in reloading manuals.
- Ensure that the workspace is clean and free from distractions to avoid accidents.
- Use the Universal Shell Holder only with compatible cartridges to prevent malfunction.
- Keep fingers and hands clear of moving parts during operation.
- Never leave reloading equipment unattended while in use.
- If you experience any unusual noises or resistance while using the dies, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the Full Length Sizing Die and Bullet Seating Die into your reloading press according to the manufacturer's instructions.
- Verify that the dies are tightened properly to prevent movement during operation.
- Insert the Universal Shell Holder into the press, ensuring it fits snugly.

### 2. Usage:

- Follow the load data provided in the instructions to measure and pour the correct amount of powder into the casing.
- Place the casing into the Universal Shell Holder and activate the press to resize the casing using the Full Length Sizing Die.
- After resizing, remove the casing and proceed to the next step of reloading as per your chosen load data.
- Use the Bullet Seating Die to properly seat the bullet into the casing, ensuring it is done at the correct depth as specified in the load data.
- Inspect each completed round for proper assembly and quality before storage.

## **Disposal Instructions**

- Dispose of any unused or excess reloading materials in accordance with local regulations.
- Ensure that all components, including packaging, are disposed of in an environmentally responsible manner.
- Do not dispose of hazardous materials in regular household waste. Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RIFLE 2 DIE SETS LEE PRECISION .17 REMINGTON PACESETTER FULL LENGTH SIZING 2DIE SET, please consult the product packaging for information on how to reach the manufacturer or authorized representatives.

By following these safety instructions, you can ensure a safe and effective reloading experience with your RIFLE 2 DIE SETS LEE PRECISION .17 REMINGTON PACESETTER FULL LENGTH SIZING 2DIE SET. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
