RIFLE 2 DIE SET LEE PRECISION .264 WINCHESTER MAG PACESETTER FULL LENGTH SIZING 2DIE SET Safety Instructions

Introduction

Thank you for choosing the RIFLE 2 DIE SET LEE PRECISION .264 WINCHESTER MAG PACESETTER FULL LENGTH SIZING 2DIE SET. This product is designed for safe and effective reloading of ammunition. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with the product.

General Safety Guidelines

- Always handle reloading equipment with care and attention.
- Keep all components, including dies and tools, out of reach of children.
- Ensure that your workspace is clean, organized, and wellventilated.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while using the equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the die set, read all instructions and ensure you understand the setup and operation.
- Use the die set only for the specified cartridge (.264 Winchester) to avoid malfunction or accidents.
- Inspect all components for damage or wear before each use. Do not use damaged equipment.
- Ensure that all tools and dies are properly secured before operation.
- Avoid overtightening the dies, as this may cause damage to the equipment.
- Store the die set in a dry place to prevent rust and corrosion.
- Do not attempt to modify the die set or use it for any purpose other than intended.

Instructions for Installation and Usage

1. Setup

- Gather all components: Full Length Sizing Die, Bullet Seating Die, Universal Shell Holder, Powder Dipper, and Instructions/Load Data.
- Ensure your reloading press is compatible with the dies.

2. Installing the Dies

- Insert the Full Length Sizing Die into the reloading press and tighten securely.
- Insert the Bullet Seating Die in the same manner.
- Attach the Universal Shell Holder to the reloading press as per the manufacturer's instructions.

3. Reloading Process

- Follow the load data provided in the instructions for accurate measurements.
- Use the Powder Dipper to measure the correct amount of powder.
- Place the cartridge case into the shell holder.
- Operate the press to resize the case with the Full Length Sizing Die.
- Remove the resized case and prepare it for bullet seating.
- Place the bullet on top of the resized case and operate the press to seat the bullet using the Bullet

Seating Die.

4. **PostUse**

- Clean the dies and tools after each use to ensure longevity.
- Store all components in a secure, dry location.

Disposal Instructions

- Dispose of any unused or expired materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash.
- Contact local waste management authorities for proper disposal methods of any hazardous components.

Contact Information for Further Support

For any questions or concerns regarding the RIFLE 2 DIE SET LEE PRECISION .264 WINCHESTER MAG PACESETTER FULL LENGTH SIZING 2DIE SET, please refer to the manufacturer's contact details provided in the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful reloading experience.
