

2 CAVITY RIFLE BULLET MOLDS - LEE PRECISION 7.62MM (0.312") 160GR ROUND NOSE DOUBLE CAVITY MOLD

[Reloading](#) > [Bullet Casting](#) > [Casting Moulds](#) > [Rifle Moulds](#)

All Lee mould blocks are made from aluminum because of its exceptional moulding qualities. All mould cavities are CNC machined for unmatched roundness and size control. All hollow base moulds are single cavity only as they have a self centering, automatic core pin for the fastest possible moulding. All moulds include handles and sprue plates.

Attributes

- Name: [LEE PRECISION 7.62MM \(0.312"\) 160GR ROUND NOSE DOUBLE CAVITY MOLD](#)
- Manufacturer: [LEE PRECISION](#)
- Product no.: 100053301
- Mfr. No.: 90361
- Bullet Weight (Grains): 160
- Caliber: 7.62mm
- Cavities: -
- Diameter (in): 0.312
- Delivery weight: 0.386kg
- Shipping height: 54mm
- Shipping width: 66mm
- Shipping length: 272mm
- UPC: 734307903619

Safety Instruction Guide for 2 Cavity Rifle Bullet Molds

Introduction

Thank you for choosing the 2 Cavity Rifle Bullet Molds by Lee Precision. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the molds.

General Safety Guidelines

- Ensure that all safety precautions are followed during the use of the molds.
- Always use the molds in a wellventilated area to avoid inhalation of fumes.
- Keep the molds out of reach of children and vulnerable individuals.
- Avoid using the molds for any purpose other than their intended use.
- Regularly inspect the molds for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and heatresistant gloves.
- Ensure the working area is clean and free from any flammable materials.
- Be cautious of hot surfaces; the molds can become extremely hot during use.
- Use the molds only with compatible casting equipment and materials.
- Follow the manufacturer's instructions for the safe operation of your casting equipment.
- Never leave the molds unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary equipment and materials ready before starting.
- Read and understand the manufacturer's instructions for your casting equipment.

2. Setting Up the Molds:

- Securely attach the molds to your casting platform as per the manufacturer's guidelines.
- Ensure that the molds are properly aligned to prevent any leakage during the casting process.

3. Casting Process:

- Preheat the molds if required, following the manufacturer's recommendations.
- Pour the molten material into the molds carefully to avoid spills.
- Allow the molds to cool adequately before attempting to remove the cast bullets.

4. PostUse Care:

- Clean the molds after each use to maintain their quality and longevity.
- Store the molds in a dry and safe location away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any waste materials generated from the casting process in accordance with local regulations.

- Do not dispose of the molds in regular household waste if they are damaged; consult local disposal guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 2 Cavity Rifle Bullet Molds, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety while using the 2 Cavity Rifle Bullet Molds. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
