[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Archangel® AAP1022 Precision Stock for the Ruger® 10/22® is a feature packed, fully adjustable stock that's perfectly at home on the bench, or in the field. The sleek lines, quality construction, and essential features of this stock let you know immediately that it means business. The click adjustable cheek riser with a 1.625" of travel in 25 positions and adjustable length of pull of 13" - 14.25" with 25 positions provides maximum adjustable fit for large shooters, small shooters, and everyone in between. The ambidextrous gooseneck style stock with palm swells and grooved and textured forend provide superior ergonomics and enhanced weapon control. A integrated Picatinny rail is molded into the bottom of the forend and includes a sliding textured, full length rail cover. The unique flared magwell makes magazine changes quick and easy, especially for extended magazines. The buttstock features an off-hand support hook and a soft rubber recoil pad. The grip features a locking storage compartment, and a flared base. The inlet has been designed to be a snug, drop in fit*, for maximum accuracy potential. The barrel channel will fit and free-float all barrels up to .920" diameter, and features patented harmonic pressure device (for those barrels that like a little pressure). The cheek riser can adjust low enough to use the OEM iron sights, and high enough even for large objective scopes. Constructed of legendary high strength, carbon fiber and glass reinforced black polymer, this stock is tough as nails, will handle a lifetime of hard use. Available in six different colors. 3 pounds. Lifetime Warranty. Made in USA. Fits Ruger® 10/22® Drop in fit* Feature packed precision stock Adjustable length of pull 13" to 14.25" with 25 positions Click adjustable cheek riser 1.625" of travel in 25 positions Free float barrel channel accepts barrel conts up to .920" Ambidextrous gooseneck style stock with palm swell Constructed of legendary high strength, carbon fiber and glass reinforced black polymer Front and rear quick detach style flush cups, provides rapid addition / removal of sling components Forend has an integrated 6 o'clock Picatinny rail with rail cover Secure pistol grip storage compartment Patent pending flared magwell Includes a soft rubber recoil pad Includes a rail cover Includes two (2) conventional sling swivel studs Includes hex style replacement action screw Overall Length: 28.25" Weight: 3 pounds Lifetime Warranty** Made in USA

ARCHANGEL RUGER 10/22® PRECISION STOCK

Safety Instruction Guide

Introduction

Thank you for purchasing the Archangel® AAP1022 Precision Stock for the Ruger® 10/22®. This safety instruction guide is designed to help you use and maintain your product safely and effectively. Please read this guide thoroughly before using the stock to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a precision stock for the Ruger® 10/22®.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Keep the stock and firearm out of the reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Store the stock in a secure location when not in use.
- Follow all local laws and regulations regarding firearms and firearm accessories.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the stock.
- Use caution when adjusting the length of pull and cheek riser to avoid pinching fingers.
- Do not exceed the recommended barrel diameter of .920" when installing the stock.
- Always use the stock in a safe environment where shooting is permitted.
- If you experience any issues with the stock or firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Precision Stock:

- Ensure the Ruger® 10/22® is unloaded.
- Remove the factory stock from the firearm by following the manufacturer's instructions.
- Align the Archangel® Precision Stock with the action of the Ruger® 10/22® and gently drop it into place.
- Secure the stock using the provided hex style replacement action screw. Ensure it is tightened properly but do not overtighten.

2. Adjusting the Length of Pull:

- Locate the adjustment mechanism on the stock.
- Slide the buttstock to the desired length within the range of 13" to 14.25".
- Ensure the adjustment clicks into place securely.

3. Adjusting the Cheek Riser:

- Locate the cheek riser adjustment mechanism.
- Adjust the cheek riser to the desired height, ensuring it clicks into one of the 25 available positions.
- Verify that the cheek riser is securely locked in place.

4. Using the Integrated Picatinny Rail:

- Attach any accessories to the Picatinny rail as needed.

- Ensure that all accessories are securely fastened and do not obstruct the operation of the firearm.

5. Using the Flared Magwell:

- Insert magazines into the flared magwell for quick and easy magazine changes.
- Practice magazine changes in a safe environment to become familiar with the stock's features.

6. Maintenance:

- Regularly clean the stock with a damp cloth to remove dirt and debris.
- Inspect the stock for any signs of damage or wear after each use.
- If any damage is found, discontinue use and contact a qualified professional.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- Do not incinerate or expose the stock to extreme heat, as it may release harmful substances.
- If the stock becomes damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding the Archangel® AAP1022 Precision Stock, please refer to the manufacturer's website or contact your retailer for assistance. Always ensure that you have the latest information regarding safety recalls or product updates.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Archangel® RUGER 10/22® Precision Stock. Always prioritize safety and responsible firearm handling.
