# Archangel SKS OPFOR® Pistol Grip Conversion Stocks Safety Instruction Guide

## Introduction

Thank you for choosing the Archangel® OPFOR® AASKS conversion stock for your SKS rifle and carbine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the conversion stock out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- Do not modify the product in any way that could compromise its safety or performance.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Always handle firearms with care and follow basic firearm safety rules.

## Specific Safety Precautions for Use

- **Pistol Grip Use:** Ensure that your grip is firm and secure while handling the firearm to prevent accidental slips.
- **Adjustable Features:** Adjust the length of pull and cheek riser only when the firearm is not in use and pointed in a safe direction.
- **Storage Compartment:** Use the locking storage compartment for safe storage of small items. Do not store ammunition or firearms in this compartment.
- **Recoil Pad:** Ensure that the removable soft rubber recoil pad is properly attached before use to absorb recoil effectively.
- **Sling Swivels:** Use only compatible QD style sling swivels. Ensure they are securely attached before carrying the firearm.
- **Weight Consideration:** Be aware of the total weight of the firearm with the conversion stock attached and adjust your handling accordingly.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the SKS rifle or carbine.
- Align the Archangel® OPFOR® conversion stock with the receiver and secure it according to the manufacturer's instructions.
- Ensure all screws and fasteners are tightened properly to avoid any movement during use.

### 2. Usage:

- Adjust the length of pull by sliding the stock to the desired position and locking it in place.
- Adjust the cheek riser to ensure a comfortable sight alignment while aiming.
- Always check that the stock is securely attached before using the firearm.
- Practice safe handling and shooting techniques at all times.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the contact information provided by the retailer or manufacturer. They will assist you with any concerns you may have.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Enjoy your Archangel® OPFOR® AASKS conversion stock responsibly.
