# Safety Instruction Guide for AR .308 M5 Lower Parts Kit with MOE SL Grip

## Introduction

Thank you for choosing the AR .308 M5 Lower Parts Kit with MOE SL Grip from Aero Precision. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm assembly and usage.
- Keep all components out of reach of children and unauthorized users.
- Regularly inspect all parts for wear and damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.
- Be aware of potential hazards associated with the assembly and use of firearm components.

## Specific Safety Precautions for Use

- **Handling:** Always treat the firearm as if it is loaded. Never point it at anything you do not intend to shoot.
- **Assembly:**
  - Ensure you have a clear workspace free from distractions.
  - Wear safety glasses to protect your eyes from debris during assembly.
  - Use appropriate tools and follow the instructions carefully to avoid injury.
- **Installation:**
  - Confirm that all parts are compatible with your specific firearm model.
  - Do not force components into place; if they do not fit, check for misalignment or obstructions.
- **Testing:**
  - After assembly, conduct a thorough inspection to ensure all components are properly installed.
  - Test the firearm in a safe and controlled environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components included in the kit.
- Review the list of included components to ensure nothing is missing.

### 2. Assembly Steps:

- **Install the Takedown Pin:**
  - Insert the M5 Takedown Pin into the designated hole on the lower receiver.
  - Secure it with the Takedown Detent and Spring.
- **Install the Pivot Pin:**
  - Insert the M5 Pivot Pin into the pivot hole.
  - Secure it with the Pivot Detent and Spring.
- **Install the Bolt Catch:**
  - Place the M5 Bolt Catch in its designated position.
  - Secure it using the Bolt Catch Buffer, Roll Pin, and Spring.
- **Install the Extended Magazine Catch Button:**

- Insert the Magazine Catch Body into the lower receiver.
- Attach the Extended Magazine Catch Button and secure it.
- **Install the Safety Selector:**
  - Insert the Safety Selector into its designated hole.
  - Secure it with the Safety Selector Spring and Detent.
- **Install Trigger Components:**
  - Follow the specific instructions for installing the Trigger, Hammer, and associated springs and pins.

### 3. Final Checks:

- Ensure all parts are securely fastened and functioning correctly.
- Conduct a function check to ensure the firearm operates as intended.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If any components are damaged or no longer usable, contact your local waste management facility for proper disposal instructions.
- Do not dispose of firearm components in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the AR .308 M5 Lower Parts Kit with MOE SL Grip, please refer to the manufacturer's website or contact their support team.

By following these safety instructions, you can ensure a safe and effective assembly and use of your AR .308 M5 Lower Parts Kit. Your safety and the safety of others is paramount. Thank you for your attention to these guidelines.
