Safety Instruction Guide for RCBS 9MM Luger Carbide Sizer Die

Introduction

Thank you for choosing the RCBS 9MM Luger and 9x21MM Carbide Sizer Die. This product is designed to size the case and deprime it without the need for lubrication. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for damage or wear before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the sizer die.
- Avoid using the sizer die in wet or damp environments to prevent electrical hazards if using an electric press.
- Do not exceed the recommended pressure limits when resizing cases to avoid accidents.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Always follow the manufacturer's instructions for setup and use.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted to a stable work surface.
- Remove any previous dies from the press.
- Insert the RCBS 9MM Luger Carbide Sizer Die into the press by screwing it into the die holder.
- Tighten the die securely but do not overtighten.

2. Usage

- Place an empty 9MM Luger or 9x21MM case into the shell holder of the reloading press.
- Pull the handle of the press to raise the ram and push the case into the sizer die.
- The die will size the case and deprime it simultaneously.
- After sizing, remove the case from the shell holder and inspect it for any defects.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local regulations.
- Do not throw the die in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to your local RCBS distributor or authorized dealer. They will provide you with the necessary assistance and information.

By following these guidelines, you can ensure a safe and effective experience with your RCBS 9MM Luger Carbide Sizer Die. Thank you for your attention to safety and compliance.
