

OKW-18350 WEAPONS LIGHTS - MODLITE SYSTEMS OKW-18350 COMPLETE LIGHT FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

Light Up Your Target-Weapon Light with Extreme Throw

This Modlite light package contains an OKW light head, 18350 body and comes in 3 different packages, one that includes a tail cap, one without a tail cap, and one without either a tail cap or charger for those that don't need those items. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. While lumen output is only 680 lumens the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Battery: Lithium Lumens: 680 Style: Weaponlight 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra-clear BORO FLOAT® lens allows 98-99% light transmittance. The Modlite OKW 18350 has approximately 680 out the front lumens and the candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use. Runtime is about 35 minutes with the supplied 18350 cells. Hand assembled and tested in the USA. Lifetime guarantee.

Safety Instruction Guide for OKW18350 Weapons Lights Modlite Systems

Introduction

Thank you for choosing the OKW18350 Weapons Lights Modlite Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new lighting system. Please read this manual carefully and keep it for future reference.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a weapon light.
- Always handle the light with care to avoid drops or impacts that may damage the unit.
- Keep the light out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and consult a professional.
- Follow local laws and regulations regarding the use of weapon lights.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only the supplied KeepPower 1200mAh 18350 battery.
 - Do not use damaged or expired batteries.
 - Avoid exposing the battery to extreme temperatures or moisture.
- **Light Output:**
 - The light emits a maximum of 680 lumens. Avoid shining the light directly into anyone's eyes.
- **Installation and Removal:**
 - Ensure the light is securely mounted to prevent accidental dislodging.
 - Follow the manufacturer's instructions for installation to avoid improper setup.
- **Charging Safety:**
 - Use only the provided XTAR MC2 charger.
 - Do not leave the charger unattended while in use.
 - Disconnect the charger from the power source when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the weapon is unloaded and safe before attaching the light.
- Align the light head with the mounting point on your weapon.
- Securely fasten the light using the provided mounting hardware.
- Check that the light is firmly attached and does not move.

2. Usage:

- To turn on the light, press the activation switch.
- Adjust the angle of the light as needed for optimal illumination.
- To turn off the light, press the activation switch again.
- Monitor battery life and replace the battery as needed.

3. Charging:

- Remove the battery from the light before charging.

- Insert the battery into the XTAR MC2 charger.
- Connect the charger to a power source.
- Once charged, remove the battery and reinstall it in the light.

Disposal Instructions

- Dispose of the product and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste.
- Check for local recycling programs for batteries and electronic waste.

Contact Information for Further Support

For any questions or concerns regarding the OKW18350 Weapons Lights Modlite Systems, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your OKW18350 Weapons Lights Modlite Systems. Thank you for your attention to safety.
