# Safety Instruction Guide for OKW18350 Weapons Lights Modlite Systems

## Introduction

Thank you for choosing the OKW18350 Weapons Lights Modlite Systems. This guide provides essential safety information to ensure the safe use and maintenance of your Modlite light package. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the OKW18350 Weapons Light by following these guidelines:
  - Always read the user manual before operating the light.
  - Keep the light out of reach of children and pets.
  - Use the light only for its intended purpose as a weapon light.
  - Avoid exposing the light to extreme temperatures, moisture, or direct sunlight for extended periods.
  - Regularly inspect the light for any signs of damage or wear before use.
  - Do not modify or disassemble the light.

## Specific Safety Precautions for Use

- To ensure safe operation of the OKW18350 Weapons Light, please observe the following precautions:
  - Use only the supplied KeepPower 1200mAh 18350 battery and XTAR MC2 charger.
  - Do not use incompatible batteries as this may lead to overheating or damage.
  - Avoid shining the light directly into anyone's eyes, as this can cause temporary blindness or discomfort.
  - When using the light in tactical or outdoor settings, ensure it is securely attached to your weapon to prevent accidental dislodging.
  - Do not point the light at flammable materials or surfaces.
  - If the light becomes excessively hot during use, discontinue use immediately and allow it to cool.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of your OKW18350 Weapons Light:

### 1. Installation:

- Ensure the light is turned off before installation.
- Attach the OKW light head to the 18350 body by screwing it in securely.
- If applicable, attach the tail cap to the body.
- Insert the KeepPower 1200mAh 18350 battery into the body, ensuring correct polarity (+/-).
- If using a charger, connect the XTAR MC2 charger to a power source and insert the battery for charging.

### 2. Usage:

- To turn on the light, press the switch located on the tail cap.
- To adjust brightness or modes (if applicable), refer to the specific instructions for your model.
- For maximum performance, avoid continuous use beyond the recommended runtime of 35 minutes.

- After use, turn off the light and store it in a cool, dry place.

## Disposal Instructions

- Proper disposal of the OKW18350 Weapons Light and its components is crucial for environmental safety:
  - Do not dispose of batteries in regular household waste.
  - Follow local regulations for battery disposal or recycling.
  - Dispose of the light and its components according to local electronic waste disposal guidelines.
  - If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

- For any inquiries regarding product safety, operation, or support, please refer to the contact details provided in the product packaging or visit the manufacturer's official website.

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your OKW18350 Weapons Lights Modlite Systems. Thank you for your attention to safety!
