

OKW-18350 WEAPONS LIGHTS - MODLITE SYSTEMS OKW-18350 COMPLETE LIGHT FDE- NO TAILCAP OR CHARGER

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Weapon Lights](#)

Light Up Your Target-Weapon Light with Extreme Throw

This Modlite light package contains an OKW light head, 18350 body and comes in 3 different packages, one that includes a tail cap, one without a tail cap, and one without either a tail cap or charger for those that don't need those items. It also includes a single KeepPower 1200mAh 18350 battery and a XTAR MC2 charger. While lumen output is only 680 lumens the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Battery: Lithium Lumens: 680 Style: Weaponlight 6061 Series Alum bezel with Mil-Spec Hard Anodizing. Ultra-clear BORO FLOAT® lens allows 98-99% light transmittance. The Modlite OKW 18350 has approximately 680 out the front lumens and the candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use. Runtime is about 35 minutes with the supplied 18350 cells. Hand assembled and tested in the USA. Lifetime guarantee.

OKW18350 Weapons Lights Modlite Systems

Safety Instruction Guide

Introduction

Thank you for choosing the OKW18350 Weapons Lights Modlite Systems. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the light to maximize your safety and the product's performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a weapon light.
- Always inspect the light for any damage before use. Do not use if damaged.
- Keep the light out of reach of children and vulnerable individuals.
- Use only the recommended battery type (KeepPower 1200mAh 18350 battery) to avoid hazards.
- Avoid exposing the light to extreme temperatures, moisture, or impacts.
- Do not attempt to disassemble or modify the light in any way.
- If the product malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

• Battery Safety:

- Only use the specified lithium battery. Using an incompatible battery may cause overheating or explosion.
- Do not charge the battery with an incompatible charger. Use the supplied XTAR MC2 charger.
- Regularly check the battery for signs of damage or leakage. Dispose of damaged batteries responsibly.

• Light Usage:

- Avoid shining the light directly into anyone's eyes, as it may cause temporary blindness or discomfort.
- Use the light in accordance with local laws and regulations regarding weapon lights.
- Ensure the light is securely attached to the weapon before use to prevent accidental detachment.

• Environmental Safety:

- Do not expose the light to water unless it is rated for waterproof use.
- Store the light in a cool, dry place when not in use to prolong its lifespan.

Instructions for Installation and Usage

1. Installation:

- Ensure the weapon is unloaded before attaching the light.
- Align the light with the mounting point on your weapon.
- Securely fasten the light according to the manufacturer's instructions.
- Verify that the light is firmly attached before use.

2. Usage:

- To turn on the light, press the activation switch.

- Adjust the light's beam as necessary for your specific needs.
- If the light flickers or dims, check the battery charge level and replace if necessary.

3. Charging:

- To charge the battery, insert it into the XTAR MC2 charger.
- Connect the charger to a power source and monitor the charging process.
- Once fully charged, remove the battery from the charger and reinstall it in the light.

Disposal Instructions

- Dispose of the product and its components responsibly and in accordance with local regulations.
- Do not dispose of lithium batteries in regular trash. Follow local guidelines for battery recycling and disposal.
- If the product is no longer functional, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your OKW18350 Weapons Lights Modlite Systems. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important safety instructions.
