# Safety Instruction Guide for OKW18650 WEAPONS LIGHTS MODLITE SYSTEMS

## Introduction

Thank you for choosing the OKW18650 Weapons Lights Modlite Systems. This guide provides essential safety information and instructions for the proper use of your new weapon light. Please read this guide carefully to ensure safe operation and maintenance of the product.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use under normal conditions. Ensure that you understand all safety instructions before using the weapon light.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be issued. Please stay informed about any recalls associated with this product.
- **Online Shopping:** When purchasing this product online, ensure that the seller complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, particularly children. This product is not intended for use by individuals under the age of 18.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform, which provides rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- **Battery Safety:**
  - Only use the supplied KeepPower 3500mAh 18650 battery.
  - Do not use damaged or defective batteries.
  - Avoid exposing the battery to extreme temperatures, moisture, or direct sunlight.
- **Light Head Precautions:**
  - Do not look directly into the light beam to avoid eye injury.
  - Ensure that the light is securely attached to prevent accidental detachment during use.
- **General Use:**
  - Keep the weapon light out of reach of children.
  - Always ensure the light is turned off when not in use to conserve battery life and prevent accidental activation.
- **Charging Instructions:**
  - Use only the provided XTAR MC2 charger for charging the battery.
  - Follow the charging instructions carefully to avoid overheating or damaging the battery.

## Instructions for Installation and Usage

### Installation

#### 1. Assemble the Weapon Light:

- Attach the OKW light head to the 18650 body by screwing it securely.
- If applicable, attach the tail cap to the body.

#### 2. Insert the Battery:

- Ensure that the battery is oriented correctly according to the polarity markings.

- Close the battery compartment securely.

## Usage

### 1. Turning On/Off:

- To turn on the light, press the tail cap switch.
- To turn off, press the switch again.

### 2. Adjusting Brightness:

- The weapon light is designed to provide a consistent output of 680 lumens. There are no adjustable brightness settings.

### 3. Runtime:

- Expect a runtime of approximately 75 minutes with the supplied battery under normal conditions.

## Disposal Instructions

- **Battery Disposal:**

- Dispose of the battery in accordance with local regulations for lithium batteries. Do not dispose of in household waste.

- **Light Disposal:**

- When the weapon light reaches the end of its life, dispose of it according to local electronic waste regulations.

## Contact Information for Further Support

For any questions or concerns regarding the OKW18650 Weapons Lights Modlite Systems, please refer to the designated EU contact point for assistance.
