Modlite PLHv218650 Weapon Light Safety Instructions

Introduction

Thank you for choosing the Modlite PLHv218650 Weapon Light. This guide provides essential safety instructions and usage guidelines to ensure safe operation and maintenance of your product. Please read this manual carefully before using the weapon light.

General Safety Guidelines

- Ensure that the weapon light is used only for its intended purpose.
- Keep the weapon light out of reach of children and vulnerable individuals.
- Regularly inspect the light for any signs of damage or wear.
- Do not use the light if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of weapon lights.
- Be aware of your surroundings when using the weapon light to avoid accidents.

Specific Safety Precautions for Use

- Do not use Lithium CR123 cells with this product, as they may cause overheating, explosion, or fire.
- Always use the recommended KeepPower 18650 high drain cells for optimal performance and safety.
- Ensure that the battery is properly inserted in the correct orientation.
- Avoid exposing the weapon light to extreme temperatures or moisture.
- Do not point the light at anyone's eyes, as it may cause temporary blindness or discomfort.
- Use caution when operating the light in low visibility environments to avoid accidents.

Instructions for Installation and Usage

1. Installation of the Battery:

- Open the battery compartment by unscrewing the end cap.
- Insert the KeepPower 18650 battery into the compartment with the positive (+) terminal facing the head of the light.
- Securely close the battery compartment by screwing the end cap back on.

2. Using the Weapon Light:

- To turn on the light, press the switch located on the body of the light.
- To turn off the light, press the switch again.
- For best performance, avoid prolonged use to prevent overheating.

3. Charging the Battery:

- Use the provided XTAR MC2 charger to charge the 18650 battery.
- Follow the charger's instructions for proper charging procedures.
- Do not leave the battery unattended while charging.

4. Maintenance:

- Regularly clean the lens with a soft, dry cloth to ensure optimal light output.
- Inspect the light for any signs of wear or damage before each use.
- Store the weapon light in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the weapon light and its components in accordance with local regulations.
- Do not dispose of batteries in household waste. Instead, take them to designated recycling centers or hazardous waste facilities.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Modlite PLHv218650 Weapon Light, please reach out to the appropriate consumer safety contact in your region.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can ensure the safe and effective use of your Modlite PLHv218650 Weapon Light. Thank you for your attention to these important safety instructions.
