[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

Complete Versatility in a Go Bag

The Eberlestock Gunslinger II Pack takes all of the well-regarded features of the company's original Gunslinger Pack and increases its utility for military, law-enforcement and civilian users looking for a do-it-all bag. The Eberlestock Gunslinger II Pack comes equipped with a scabbard that accommodates firearms with larger optics and can work as a solid laptop or radio storage space for those not hiking a firearm for hunting or combat. The pack is also built on the company's Intex-II frame design, which blends the benefits of both internal and external frames for an ideal support solution. Provides 2,100 cubic inches of storage space Total weight: 8.3 pounds External measurements: 22 inches x 10 inches x 8 inches The Eberlestock Gunslinger II Pack also allows users to attach extra gear in the field and features a number of internal organizers.

Eberlestock Gunslinger II Pack Safety Instruction Guide

Introduction

Thank you for choosing the Eberlestock Gunslinger II Pack. This guide provides important safety information and usage instructions to ensure your safe and effective use of the pack. Please read this guide carefully and follow all safety precautions.

General Safety Guidelines

- Ensure the pack is suitable for your intended use, whether for military, law enforcement, or civilian activities.
- Regularly inspect the pack for any signs of wear or damage. Do not use if damaged.
- Keep the pack away from children unless supervised by an adult.
- Be aware of your surroundings when using the pack, especially in crowded or hazardous environments.
- Follow all local laws and regulations regarding the transportation and storage of firearms and other equipment.

Specific Safety Precautions for Use

- **Carrying Firearms:**
 - Always ensure that firearms are unloaded before placing them in the scabbard.
 - Use appropriate safety measures when handling firearms.
- **Weight Limit:**
 - Do not exceed the recommended weight limit of 8.3 pounds to maintain proper balance and comfort.
- **Proper Fit:**
 - Adjust the straps and harness to fit your body securely to prevent shifting while in use.
- **Weather Exposure:**
 - Avoid prolonged exposure to extreme weather conditions to prevent damage to the pack and its contents.
- **Storage of Electronics:**
 - Ensure that laptops or radios are securely stored to prevent damage during movement.

Instructions for Installation and Usage

1. Adjusting the Pack:

- Loosen all straps before putting on the pack.
- Place the pack on your back and adjust the shoulder straps to fit snugly but comfortably.
- Adjust the hip belt to distribute weight evenly across your hips.

2. Loading the Pack:

- Use the main compartment for larger items and the scabbard for firearms or long equipment.
- Utilize internal organizers for smaller items to keep them secure and accessible.
- Ensure that the pack is balanced and not overloaded on one side.

3. Using the Scabbard:

- Place the firearm in the scabbard with the barrel facing down.
- Secure any straps or fasteners to prevent movement during transport.

4. Field Attachment:

- Use the attachment points on the exterior of the pack to secure additional gear as needed.
- Ensure that any attached gear does not obstruct your movement or visibility.

Disposal Instructions

- Follow local regulations for the disposal of the pack and any accessories.
- If the pack is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the pack in regular household waste if it contains hazardous materials.
