

OVERSIZE "E-Z" EXPANDER BALLS - FORSTER PRODUCTS, INC.

0.2240" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

Attributes

- Name: [FORSTER PRODUCTS, INC. 0.2240" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203308
- Mfr. No.: E-10-2240
- Cartridge: 22 Caliber
- Diameter (in): 0.224
- Delivery weight: 0.159kg
- Shipping height: 8mm
- Shipping width: 76mm
- Shipping length: 102mm
- UPC: 757253996702

Safety Instruction Guide for OVERSIZE "EZ" EXPANDER BALLS

Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS from Forster Products, Inc. This product is designed to enhance your reloading experience by providing precise control over bullet seating. It is important to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all reloading equipment is kept out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Store all components, including expander balls, in a cool, dry place away from direct sunlight and moisture.
- Familiarize yourself with the reloading process and follow all manufacturer instructions for your specific equipment.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Maximum pressures should be approached with caution when using the soft seating technique.
- Ensure that the expander ball is correctly installed and securely fastened to avoid accidents during operation.
- Always check the compatibility of the expander ball with your specific sizing die before use.
- Avoid overworking the brass to prevent fatigue and potential failure during firing.
- Keep your work area clean and organized to minimize the risk of accidents.

Instructions for Installation and Usage

1. Installation of the Expander Ball:

- Ensure that your sizing die is clean and free from debris.
- Remove the standard expander ball from the die by unscrewing it counterclockwise.
- Take the OVERSIZE "EZ" EXPANDER BALL and screw it into the sizing die clockwise until it is securely fastened.
- Check that the expander ball is properly aligned and does not wobble.

2. Using the Expander Ball:

- Adjust the seating depth of your bullet by leaving it seated out far enough to allow it to be pushed back into the case as the rifle bolt is closed.
- Monitor the seating depth during the reloading process to ensure consistency.
- Test the reloads for proper bullet tension and adjust as necessary to achieve desired performance.

3. After Use:

- After completing your reloading session, clean your equipment to remove any residue.
- Store the expander ball and other components in a safe, dry location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not discard in regular household waste. Instead, use designated recycling or hazardous waste disposal facilities.
- Ensure that all ammunition components are disposed of safely to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the use of the OVERSIZE "EZ" EXPANDER BALLS, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure a safer reloading experience with the OVERSIZE "EZ" EXPANDER BALLS. Thank you for your attention to safety and compliance.
