

OVERSIZE "E-Z" EXPANDER BALLS - FORSTER PRODUCTS, INC.

0.2430" E-Z EXPANDER BALL

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Oversize Expander Ball Soft seating of bullets is a technique used by many top competitors to overcome variables such as inconsistent seating depth and seating depth changes due to throat erosion. Soft seating of bolt action rifle ammunition is accomplished by leaving the bullet seated out far enough so it is pushed back into the case as the rifle bolt is closed. Thus, each bullet is started true to the rifling. Note: Maximum pressures should be approached with caution when loading with this method. Oversized Expander Balls are designed to replace the standard Expander on Forster Sizing dies. These larger Expander Balls produce reloads with lighter bullet tension, allowing you to precisely control bullet release.

Attributes

- Name: [FORSTER PRODUCTS, INC. 0.2430" E-Z EXPANDER BALL](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 100203311
- Mfr. No.: E-10-2430
- Cartridge: 243 Caliber, 6mm
- Diameter (in): 0.243
- Delivery weight: 0.159kg
- Shipping height: 10mm
- Shipping width: 76mm
- Shipping length: 76mm
- UPC: 757253996672

Safety Instruction Guide for OVERSIZE "EZ" EXPANDER BALLS

Introduction

Thank you for choosing the OVERSIZE "EZ" EXPANDER BALLS from Forster Products, Inc. This product is designed to enhance the performance of your reloading process. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you are familiar with the safety requirements for handling ammunition and reloading equipment.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Keep all reloading components, including the Expander Balls, out of reach of children and unauthorized individuals.
- Regularly inspect your equipment for wear and tear to prevent accidents.
- Follow all local laws and regulations regarding the use and storage of ammunition and reloading supplies.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper seating depth can lead to inconsistent bullet performance.
 - Excessive pressure during loading can result in dangerous malfunctions.
- **Avoiding Hazards:**
 - Always check the specifications for your specific firearm and ammunition before use.
 - Do not exceed recommended load limits when using the expander balls.
 - Ensure that the bullet is seated properly before closing the rifle bolt.
 - Use the expander balls only with Forster Sizing dies for optimal performance.

Instructions for Installation and Usage

- **Installation:**
 1. Remove the standard Expander from your Forster Sizing die.
 2. Carefully install the OVERSIZE "EZ" EXPANDER BALL into the die.
 3. Ensure that the expander ball is securely fastened and aligned correctly.
- **Usage:**
 1. Prepare your brass cases and bullets according to standard reloading procedures.
 2. Adjust the seating depth to allow for soft seating of the bullets.
 3. Close the rifle bolt slowly to ensure that the bullet is seated correctly into the case.
 4. Monitor the seating depth and bullet tension throughout the reloading process.

Disposal Instructions

- Dispose of any damaged or unusable expander balls in accordance with local regulations.
- Do not dispose of reloading components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the EUbased contact point provided with your product. Stay informed about product recalls and safety alerts by visiting the EU's Safety Gate platform.

By following these guidelines, you can ensure a safe and effective reloading experience with your OVERSIZE "EZ" EXPANDER BALLS. Thank you for prioritizing safety in your reloading activities.
