An Easy Mag Extension for Your Double-Stack Glock Magazines

Even in your double-stack Glock handguns, having extra rounds on-board can be a game-changer. Whether for self-defense or competition, adding a few extra rounds can make the difference between winning or losing a fight or a match. Well, what if you had more than a few rounds? What if you had four or five extra rounds in your gun? Enter the Tyrant Designs Magazine Extensions for Glock G19 & G23. Each Tyrant Designs Magazine Extension adds five rounds to the 9mm G19 and four rounds to the G23, increasing the overall capacity of an OEM Glock magazine with an incredibly low amount of effort. Each extension can be installed onto your factory Glock magazine in fewer than 10 seconds! The Magazine Extensions for Glock G19 & G23 are all machined from aerospace-grade aluminum and are designed to function with the original factory magazine spring. The design features smooth, rounded edges, and the overall size matches the profile of your Glock's pistol grip. The overall length of the extension is 1.15 inches, and it measures .90 inch wide. The unit will add 1.3 ounces of weight.

Safety Instruction Guide for +4/5 Magazine Extensions for Glock® 19 & 23

Introduction

Thank you for choosing the +4/5 Magazine Extensions for Glock® 19 & 23 by Tyrant CNC. This product is designed to enhance the capacity of your Glock magazines, providing you with additional rounds for selfdefense or competition. It is essential to use this product safely and responsibly. This guide provides important safety instructions and guidelines to ensure your safety and the effective use of the magazine extensions.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the magazine extension is compatible with your specific Glock model (G19 or G23).
- Inspect the magazine extension and your firearm regularly for signs of wear or damage.
- Store your firearm and magazine extensions in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and magazine capacity.
- If you are unsure about the use of this product, seek guidance from a qualified firearms instructor.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the magazine extension.
- Do not exceed the recommended capacity of the magazine extension (5 additional rounds for G19 and 4 additional rounds for G23).
- Avoid using the magazine extension with ammunition that is not compatible with your Glock model.
- Be aware of your surroundings when using your firearm, and always follow safe handling practices.
- If you experience any malfunctions or issues with your firearm after installing the magazine extension, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock magazine is unloaded.
- Align the magazine extension with the base of the magazine.
- Press the extension onto the magazine until it clicks into place.
- Confirm that the extension is securely attached before use.

2. Usage:

- Load your magazine with the appropriate ammunition.
- Insert the magazine into your firearm until it locks in place.
- Conduct a function check to ensure the firearm operates correctly with the magazine extension installed.
- Always follow safe shooting practices while using your firearm.

Disposal Instructions

- Dispose of any damaged or worn magazine extensions in accordance with local regulations.
- Do not dispose of the magazine extension in regular household waste.
- Contact local waste management authorities for proper disposal methods.
