# Safety Instruction Guide for Silencerco Threaded Barrels for Glock® Handguns

## Introduction

Thank you for choosing the Silencerco Threaded Barrel for your Glock® handgun. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your threaded barrel is compatible with your Glock® model (Glock 22).
- Use only compatible ammunition (40 S&W) as specified.
- Always wear appropriate eye and ear protection when using your firearm.
- Keep firearms out of reach of children and unauthorized individuals.
- Regularly inspect your threaded barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of threaded barrels and suppressors.

## Specific Safety Precautions for Use

- Do not modify the threaded barrel or your firearm in any way that could compromise safety.
- Ensure that the thread protector is securely attached when the suppressor is not in use.
- Avoid using the firearm in wet or damp conditions to prevent rust and corrosion.
- If you notice any unusual sounds or malfunctions while using your firearm, stop using it immediately and consult a qualified gunsmith.
- Always clean your threaded barrel according to the manufacturer's recommendations to maintain optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the original barrel from your Glock® 22 following the manufacturer's instructions.
- Carefully install the Silencerco threaded barrel by sliding it into the slide until it is fully seated.
- Ensure that the barrel is locked in place according to the Glock® operating manual.
- Attach the thread protector if a suppressor is not being used.

### 2. Usage:

- Load your Glock® 22 with compatible 40 S&W ammunition.
- Ensure that the threaded barrel is properly secured before firing.
- Use the firearm in a safe and controlled environment, such as a shooting range.
- After use, clean the barrel following the cleaning instructions provided by Silencerco.

## Disposal Instructions

- Dispose of any damaged or nonfunctional threaded barrels in accordance with local regulations.
- Do not throw away the threaded barrel in regular household waste. Contact a local firearms dealer or law enforcement agency for proper disposal methods.

## Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the Silencerco threaded barrel, please contact the manufacturer directly through their official channels. Ensure you have your product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Silencerco threaded barrel for your Glock® handgun. Always prioritize safety and compliance with local laws and regulations when using firearms and accessories.
